**County Counsel Concurrence**

As to form: Yes

**Auditor-Controller Concurrence**

As to form: No

**Recommended Actions:**

That the Board of Supervisors

- A. Approve and authorize the Chair to adopt a Resolution establishing a no parking zone on Santa Claus Lane in the Carpinteria area, First Supervisorial District; and
- B. Approve the filing of a Notice of Exemption pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15301 (c), pertaining to maintenance and operation of existing facilities, for this project.

**Summary Text:**

Public Works received a request from the County Parks Department and Sheriff's Department restrict overnight parking on Santa Claus Lane. Public Works is recommending that the Board of Supervisors adopt the attached resolution to restrict parking from 2:00am to 6:00am on Santa Claus Lane at the following location:

On both sides of Santa Claus Lane from the centerline of Padaro Lane to a point 1,350 feet east of Padaro Lane.

**Background:**

Parking restrictions are either established or rescinded based on safety, necessity, and the affect on the community as a whole. The Public Works Department weighs all of these factors, and presents any recommended changes to the Board of Supervisors for approval. These parking restrictions may include no parking, time limited parking, loading zones, vehicle height restricted parking, angle parking, handicapped parking, or any combination of these restrictions.

Santa Claus Lane runs in an east-west direction in the Carpinteria area. It connects Padaro Lane on the west end and US 101 southbound on-ramp on the east end. Santa Claus lane has two travel lanes; it has no bike lanes or sidewalks. There is no development on the north side. The south side has a mixture of retail and commercial properties and beach access.

Santa Claus Lane currently has parking restrictions on all but the beach fronting south side of the roadway. County Parks Department contacted Public Works requesting to have no overnight parking sign installed on this remaining section. Vehicles camping overnight here have been responsible for trash and other problems in the area. The County has posted no parking 2:00am to 6:00am along many of the roadways in close proximity to the beaches. Public Works studied the request and recommends that no parking 2:00am to 6:00am be installed on Santa Claus Lane.
