For Agenda Of: November 09, 2010
Placement: Administrative
Estimated Tme:
Continued Item: No
If Yes, date from:
Vote Required: Majority

TO: Board of Supervisors
FROM: Department Director Scott McGolpin, Public Works Department, 568-3010
Contact Info: Dacé Morgan, Deputy Director of Transportation, 568-3064
SUBJECT: **Acceptance of Roads into the County Road Maintained System, Third and Fourth Supervisorial Districts**

County Counsel Concurrence

As to form: Yes

Auditor-Controller Concurrence

As to form: N/A

Other Concurrence: N/A

Recommended Actions:

That the Board of Supervisors:

Approve and authorize the Chair to adopt a Resolution accepting portions of Foxen Lane and Coiner Street in the Third Supervisorial District, and Jensen Ranch Road, Solomon View Road, Canyon Creek Road, South Creek Court, Sycamore Creek Court, and Pine Creek Court in the Fourth Supervisorial District, into the County Road Maintained System.

Summary Text:

The roads listed below were constructed to County Road Standards as part of residential developments. The easements that contain the roads were dedicated to the County during the map recordation process for each project. Public Works staff inspected each section of road during construction and deemed them all acceptable. The Department recommends that your Board accept the following roads into the County Road Maintained System:

<u>Road Name</u>	<u>Limits</u>	<u>Length (Ft.)</u>
Foxen Ln.	580' s/of Hill St. to w/end	570
Coiner St.	Foxen Ln. to w/end	820
Jensen Ranch Rd.	Stillwell Rd. to w/end	222
Solomon View Rd.	Jensen Ranch Rd. to w/end	1320
Canyon Creek Rd.	Stillwell Rd. to w/end	1426

<u>Road Name</u>	<u>Limits</u>	<u>Length (Ft.)</u>
South Creek Ct.	Canyon Creek Rd. to s/end	686
Sycamore Creek Ct.	Canyon Creek Rd. to s/end	898
Pine Creek Ct.	Canyon Creek Rd. to s/end	1003

Total length of added roads: 6945 feet = 1.315 miles

Background:

The Public Works Department periodically requests that your Board accept roads into the public maintained system. Typically, the roads are constructed to public standards in conjunction with residential or commercial development. The roads are always within public easements, and are inspected during construction to ensure compliance with public road standards. Public Works inspects the roads again one year after completion to ensure quality, and if acceptable, they are eligible for acceptance into the public maintained road system.

Fiscal and Facilities Impacts:

Budgeted: No

Narrative:

Future maintenance costs for these roads will be funded through the Road Fund (Fund 0015). These roads will be added to the State mileage total for Santa Barbara County, and the gas tax revenue received from the State for road maintenance will be adjusted accordingly. The Department anticipates receiving approximately \$9,000 per year in additional gas tax revenue for these portions of road. To properly maintain these roadway segments, it will cost the Department approximately \$18,000/yr.

Staffing Impacts:

Legal Positions:
N/A

FTEs:
N/A
