Dear Commissions,

Please approve the Senior Mobile Home Park Overlay Resolution as presented.

As a 75 year old retired school teacher I'm able to live close to my family for the last years of my life because I live in an over 55 MH Park in Orcutt in SB County.

The icing on the cake would be to allow long term leaseholders the same benefit of rent control as short term home owners.

Thank you,

I am an 83 year old woman living in a senior only park. This is a lovely, quiet place to live.

It is extremely important for this land to continue supporting this mobile home park. My home cost me \$675,000. I am a retired attorney. Amazingly, I can't buy anything else here for that price. It is 2 minutes from my husband's skilled nursing home and 3 minutes from my daughter's home.

Please pass along my concerns about the pending May 7 legislation.

Thank you,

Norene Scott
