Attention: Todd Curtis

Regarding: County Project No. 828369-South Coast Recycling and Transfer Station
Storm Drain Improvements Project-Phase 3-Sewer Improvements

Dear Mr. Curtis,

We have received your letter Dated July 3, 2018, Concerning Tierra Construction, Inc. complaint. In my opinion their complaint has no merit. On the Project there is only one Manhole to be lined. We received a quotation for lining the Manhole and it was less than 1/2 of 1% of the project. Please see attached Quotation. Cedro Construction is going perform all other work with our forces. If a change in conditions or scope occurs during the project this could change.

Should you have any questions please do not hesitate to contact me at (805) 525-0599.

Sincerely,

CEDRO CONSTRUCTION, INC.

Michael J. Verner
