Summary Text:

The WDB develops innovative workforce strategies that help businesses, individuals, and industries achieve and sustain economic vitality across all communities in Santa Barbara County.

The WDB is a public/private partnership created by the Federal Workforce Opportunity Investment Act (WIOA) and is staffed by an Executive Director and employees, housed within the County of Santa Barbara Department of Social Services (DSS).

The Workforce Innovation and Opportunity Act (WIOA) went into effect on July 1, 2015.

Background:

The WIOA Section 106 requires the Governor to designate local areas within the state. The California Workforce Investment Board (State Board) and the Employment Development Department (EDD), acting under the authority of the Governor, created an application and established policies and procedures for the initial designation of local areas.

The Local Area Board Recertification is effective July 1, 2016 through June 30, 2018. The County of Santa Barbara meets the outlined criteria for designation and is submitting the application to the Board of Supervisors.
