SUBJECT: 03AGP-00000-00010, Jackson Agricultural Preserve Non-Renewal

Recommendations:

That the Board of Supervisors:

- A. Accept the request for nonrenewal of Agricultural Preserve 71-AP-058, and;
- B. Execute the attached Notice of Nonrenewal by the County Land Conservation Contract for Assessor's Parcel Nos. 133-120-040 and -045, located approximately 5 miles northwest of the intersection of Highway 154 and Figueroa Mountain Road, known as 5225 Figueroa Mountain Road, in the Santa Ynez area, Third Supervisorial District.

Alignment with Board Strategic Plan:

The recommendations are primarily aligned with actions required by law or by routine business necessity.

Executive Summary and Discussion:

On June 6, 2003, the Agricultural Preserve Advisory Committee acknowledged, by a vote of 4 to 0, (Baez absent), the submission of non-renewal of 71-AP-058 by the landowner. The effective

date for nonrenewal of the contract will be December 31, 2003. The site is approximately 1,700 acres and is used for grazing and the raising of animals.

Section 51245 of the Government Code provides that if either the landowner or the County desires in any year not to renew an agricultural preserve contract, that party shall serve written notice of nonrenewal of the contract upon the other party in advance of the annual renewal date of the contract. The Agricultural Preserve Advisory Committee's position is that while it does not encourage removal of property from preserve status, it recognizes that pursuant to the Uniform Rules of the County's Agricultural Preserve Program, nonrenewal is an accepted method for terminating a contract when the landowner chooses to withdraw from the program.

Mandates and Service Levels:

Government Code §51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use. The County of Santa Barbara has adopted such a program which is codified under the Agricultural Preserve Program Uniform Rules. Both the County's Uniform Rules and the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

Fiscal and Facilities Impacts:

The costs associated with processing this replacement contract are offset by the \$1,196.00 processing fee required to be paid by the applicant per the Planning & Development adopted fee schedule.

Special Instructions:

Please record the attached Notice of Nonrenewal by the Landowner following your Board's approval and execution, and distribute copies of the executed Notice as shown on the notice below.
