9. Identify which target population will ultimately benefit from your strengthened organization: (i.e., elderly, disabled, HIV/AIDS, homeless, children, youth, low income): Santa Ynez Valley Senior Advisory Council DBA: Solvang Senior center has been located at 1745 Mission Drive, Solvang in a series of modular units since 1983. We not only open our doors to Solvang residents, but also provide a safe engaging space for seniors Valley and County wide. The new facility will replace our aging modular Senior Center and will be double in size so as to not only be able to serve more members of this growing population, but to also serve our community as a whole. We have been actively fundraising for this much need new facility since 2018 and have received outstanding support from our community and beyond. That being said, we are still in need of further support to achieve this goal.
10. Please state the name of the program for which funding is being requested and describe overall goals that you are proposing. Be specific, achievable and measurable: We are reaching out to the County for

additional support to help us complete our new facility-Solvang Senior Center. The new facility will provide over 2,000 extra square ft of useable space (second story), bringing it to a total of almost 5,000 sq. ft., will be modern, safe, secure, up-to-date, welcoming and much more efficient. This new facility will allow us to serve the fastest growing population, our senior population, in a much more realistic manner. We will be able to expand all of our programs, build on community engagement, grow our community partnerships, more meals and services. We look forward to increasing our capability of helping our active aging adults age in place safely, continue to grow and expand upon our intergenerational programs and offer our space to the community for use during our off hours. The new facility will also allow us to hold multiple large programs at one time, expand our dining space to accommodate a larger number of individuals, provide need services and programs that we are unable to do so now as we are limited. Our outreach will expand and changes drastically for the good of our entire community.
