Summary Text:

The item is on the agenda to request the Board of Supervisors (Board) to approve and authorize the Director of Behavioral Wellness (BWell) to enter into an Agreement with Office of Statewide Health Planning and Development (OSHPD) for BWell to serve as fiscal and administrative agent for the Southern County Regional Partnership (SCRP) to implement Workforce Education and Training (WET) activities (Attachment A); to execute the First Amendment to the Memorandum of Understanding with the SCRP (SCRP MOU) to implement WET activities for the period of December 2, 2014 through June 30, 2026 (Attachment B); and to approve a Budget Revision Request (BRR #0007212) increasing appropriations of \$3,068,164 in the BWell Services Department, Mental Health Services Act Fund, for Salaries and Benefits and Services and Supplies funded by the OSHPD Agreement (Attachment C). As fiscal agent, BWell will be the fiscally responsible entity in charge of administering the OSHPD Agreement funds for the SCRP. BWell will also oversee the provision of ongoing staffing support to coordinate/administer programs and activities for individuals and entities that have committed to work collaboratively as part of the SCRP. The OSHPD Agreement funds are in the amount of \$15,340,829, inclusive of \$ 3,806,372 in local matching funds which will be provided by the SCRP counties. The SCRP counties have executed an amendment to the SCRP MOU (Attachment B) committing to contribute their portion of matching funds. Upon the Board's approval of Recommended Action A, the OSHPD agreement will be entered into on January 15, 2021 and will be effective for the period of February 15, 2021 through June 30, 2026.

Background:

The Mental Health Services Act (MHSA), passed in 2004, levied a 1% tax on annual incomes over \$1.0 million to increase funding for mental health services. The MHSA included a requirement for each county mental health department to develop a local WET Plan, and to participate in Regional Partnerships formed throughout the State to promote building and improve the local public mental health system (PMHS) workforce, education and training resources, and focus on projects and goals specific to the needs of the region. The SCRP, consists of the public mental health departments from Santa Barbara, San Bernardino, Imperial, Kern, Orange, Riverside, San Diego, San Luis Obispo, and Ventura counties, as well as the Los Angeles County Tri-City region (Claremont, La Verne, and Pomona). BWell has been a voting member of the SCRP since its inception in 2009 and has benefited from cultural competency trainings and a core competencies project for licensed therapists, offered through SCRP.

In December 2014, the Board approved and authorized BWell to serve as the fiscal and administrative agent for the SCRP and execute the initial MOU with the SCRP counties to implement Workforce Education and Training (Attachment D). As the fiscal and administrative agent for the SCRP, BWell negotiated and monitored contracts for Mental Health Interpreters, Clinical Supervision, Cultural Humility, Recruitment Materials, and to provide Trauma-Informed Care trainings. Then in May 2020, BWell was nominated by the SCRP to continue as the fiscal and administrative agent for the OSHPD grant through 2026. At the time the First Amendment to the WET SCR MOU and its Attachments 1 and 2 were prepared and approved by the Boards of Supervisors for the nine other SCR members, the estimated match amount was \$3,806,371 rather than \$3,806,372 as cited in the final version of the OSHPD Agreement No. 20-10018.

The goals and objectives set forth in the Wet Five-Year Plan approved by OSHPD in 2019 provide a framework for strategies that state and local government, community partners, educational institutions, and other stakeholders can enact to remedy the shortage of qualified individuals to provide services to those who are at risk of or have a severe mental illness:

Goals:

1. Increase the number of diverse, competent licensed and non-licensed professionals in the PMHS to address the needs of persons with SMI.
2. Expand the capacity of California's current public mental health workforce to meet California's diverse and dynamic needs.
3. Facilitate a robust statewide, regional, and local infrastructure to develop the public mental health workforce.
4. Offer greater access to care at a lower level of intensity that enables consumers to maintain and maximize their overall well-being.
5. Support delivery of PMHS services for consumers within an integrated health system that encompasses physical health and substance use services.

Objectives:

1. Expand awareness and outreach efforts to effectively recruit racially, ethnically, and culturally diverse individuals into the PMHS workforce.
2. Identify and enhance curricula to train students at all levels in competencies that align with the full spectrum of California's diverse and dynamic PMHS needs.
3. Develop career pathways for individuals entering and advancing across new and existing PMHS professions.
4. Expand the capacity of postsecondary education to meet the identified PMHS workforce needs.

If approved by the Board as the fiscal and administrative agent for the SCRPP, BWell will be responsible for coordinating and administering programs and activities and negotiating and monitoring contracts that achieve the goals and objectives established by OSHPD for 2020-2026. Along with the other members of the SCRPP, BWell will develop and implement mental healthcare workforce development strategies that align with the WET Five-Year Plan and will report to OSHPD on progress. BWell will return to the Board to recommend approval of new contracts voted on by the members of the SCRPP.

Fiscal and Facilities Impacts:

Budgeted: No

OSHPD will release Agreement funds to BWell for services rendered upon completion of the deliverables specified in the Agreement, as follows:

Payment Installment	Percent of OSHPD Grant Award	Payment Amount	Deliverables Requiring Approval Before Release of Payment	Deliverable Due Date
1	10%	\$1,153,445.70	Grant Agreement Execution	January 15, 2021
2	70%	\$8,074,119.90	Section C. Item 4.a. Stakeholder Engagement Activities Report	January 31, 2021
3	5%	\$576,722.85	Section C. Item 4.b. 2020 PMHS Workforce Surveys completion	January 31, 2021
4	15%	\$1,730,168.55	Section C. Item 4.n. Matching Local Funds Confirmation	On or before July 31, 2024

The Agreement with OSHPD is for \$15,340,829 for January 15, 2021 through June 30, 2026 inclusive of \$3,806,372 in local match. BWell estimates its administrative costs to be \$3,068,164.

Key Contract Risks:

The OSHPD Agreement requires the fiscal agent to match 33% of the Agreement funds by July 31, 2024. Amendment 1 to the SCRIP MOU requires that each county in the SCRIP provide their portion of the matching funds by the deadline. BWell will return any portion of the OSHPD Agreement funds that do not receive a 33% match from the SCRIP counties by December 31, 2024. Also payments of Agreement funds are contingent on the satisfactory submission of the deliverables and OSHPD may withhold OSHPD Agreement funds for subsequent years until the Scope of Work and deliverables are met. As the fiscal and administrative agent, BWell agrees to pay \$10,000 for each deliverable not submitted timely or that does not substantially meet the content requirements for deliverables. The MOU contains an indemnification provision which requires the SCRIP to indemnify the County for any liability caused by the SCRIP's negligent or intentional acts or omissions. OSHPD may reduce the award of Agreement funds if 80% of the funds are not encumbered and/or spent by July 1, 2024. OSHPD's liability to pay Agreement funds is contingent on appropriation of funds in the Budget Act. There is a risk that OSHPD may cancel or amend the Agreement if funds are not appropriated.

2. Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.
3. OSHPD may request additional information upon reviewing the Deliverables.

F. Budget Contingency Clause:

1. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for this grant program, this Agreement shall be of no further force and effect. In this event, the OSHPD shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Agreement.
2. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this grant program, the OSHPD shall have the option to either

cancel this Agreement with no liability occurring to the OSHPD or offer an agreement amendment to Grantee to reflect the reduced amount.

G. Breach:

OSHPD reserves the right to recover any and all amounts provided to the Grantee for Grantee's failure to perform the Scope of Work set forth in this Agreement. OSHPD expressly reserves the right to pursue all legal and equitable remedies in the event of a breach by Grantee, including the right to disqualify Grantee from future funding opportunities. OSHPD shall also seek the following:

1. Damages for non-compliance of annual RP WET Activities Report and PMHS workforce survey requirements (Section C., Items 4.b.-m):

Grantee agrees to pay \$10,000 for each deliverable not submitted on time, or which does not substantially meet the content requirements for deliverables. These damages are to compensate OSHPD and the State for the damages, including additional costs, they will incur because of Grantee's delay. Grantee may appeal any such reductions per the "Disputes" Section of this Agreement.

2. Reductions for non-compliance of Local Match Requirement (Section C-2):

- a. Per the 2019 State Budget Bill, OSHPD must require RPs to provide a 33 percent match of local funds to support WET Plan programs. OSHPD shall recover Agreement Funds for which matching Local Funds are not provided by July 31, 2024. The Grantee agrees to return the portion of Agreement Funds that were not matched by December 31, 2024.
- b. Grantee agrees to pay OSHPD the amount from the following formula if the 33 percent match is not achieved:
(Total Agreement Funds) – (Actual RP Local Match Funds ÷ .33) = Recovery Amount.

Example:

*Total Agreement Funds = \$1,000,000;
Local Funds Match Requirement (.33 match) = \$330,000
Actual Amount Matched = \$100,000*

*\$1,000,000 – (\$100,000 ÷ .33) = Recovery Amount
\$1,000,000 - \$303,030.30 = Recovery Amount
Recovery Amount = \$696,969.70*

- c. OSHPD shall waive any or all reductions associated with Grantee's failure to meet local match fund requirements at the regional level if the combined

total of all local match funds collected from the five RPs meet the 33 percent matching requirement of total grant funds available for all five RPs as outlined in the 2020-21 RP Grant Guide.

Combined Regional Partnerships OSHPD Grant Award Amount	Combined Regional Partnerships Local Match Funds (33% match)
\$40,000,000	\$13,200,000

H. General Terms and Conditions:

1. **Timeliness:** Time is of the essence in this Agreement. The Grantee shall submit the required Deliverables as specified and adhere to the deadlines as specified in this Agreement. Anticipating potential overlaps, conflicts, and/or scheduling issues, to adhere to the terms of the Agreement, is the sole responsibility of the Grantee.
2. **Final Agreement:** This Agreement, along with the Grantee's application, attachments, and forms constitute the entire and final Agreement between the parties and supersedes any and all prior oral or written agreements or discussions.

In the event of a conflict between the provisions of this Agreement and the Grantee's Application, exhibits and forms, the provisions of this Agreement shall prevail.

3. **Ownership and Public Records Act:** All reports and the supporting documentation and data collected during the funding period that are embodied in those reports, shall become the property of OSHPD and subject to disclosure under the Public Records Act.
4. **Audits:** The Grantee agrees that OSHPD, the Department of General Services, the State Auditor, or their designated representatives shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. The Grantee agrees to maintain such records for possible audit for a minimum of three years after the final payment, unless a longer period of records retention is stipulated by the State. The Grantee agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Grantee agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement.
5. **Provisions Relating to Data**
 - a. "Data" as used in this Agreement means recorded information, regardless of form or characteristics, of a scientific or technical nature. It may, for

example, document research, experimental, developmental or engineering work; or be usable or be used to define a design or process; or support a premise or conclusion asserted in any deliverable document called for by this Agreement. The data may be graphic or pictorial delineations in media, such as drawings or photographs, charts, tables, mathematical modes, collections or extrapolations of data or information, etc. It may be in machine form, as punched cards, magnetic tape, computer printouts, or may be retained in computer memory.

- b. "Generated data" are that data, which Grantee has collected, collated, recorded, deduced, read out or postulated for utilization in the performance of this Agreement. Any electronic data processing program, model or software system developed or substantially modified by the Grantee in the performance of this Agreement at State expense, together with complete documentation thereof, shall be treated in the same manner as generated data.
 - c. "Deliverable data" are that data which, under the terms of this Agreement, are required to be delivered to the State. Such data shall be the property of the State.
 - d. Prior to the expiration of any legally required retention period and before destroying any data, the Grantee shall notify the State of any such contemplated action; and the State may within 30 days of said notification, determine whether or not the data shall be further preserved. The State shall pay the expense of further preserving the data. The State shall have unrestricted, reasonable access to the data that are preserved in accordance with this Agreement.
 - e. The Grantee shall use its best efforts to furnish competent witnesses and to identify such competent witnesses to testify in any court of law regarding data used in or generated under the performance of this Agreement.
6. Independence from the State: The Grantee and the agents and employees of the Grantee, in the performance of this Agreement, shall act in an independent capacity and not as officers, employees, or agents of the State.
 7. Non-Discrimination Clause (See Cal. Code Regs., title 2, section 11105):
 - a. During the performance of this Agreement, Grantee and its subcontractors shall not deny the Agreement's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious

creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Grantee shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination.

- b. Grantee and its subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and any regulations or standards adopted by OSHPD to implement such article.
 - c. Grantee shall permit access by representatives of the Department of Fair Employment and Housing and OSHPD upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or OSHPD shall require to ascertain compliance with this clause.
 - d. Grantee and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.
 - e. Grantee shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.
8. Waiver: The waiver by OSHPD of a breach of any provision of this Agreement by the Grantee will not operate or be construed as a waiver of any other breach. OSHPD expressly reserves the right to disqualify the Grantee from any future grant awards for failure to comply with the terms of this Agreement.
 9. Approval: This Agreement is of no force or effect until signed by both parties. The Grantee may not commence performance until such approval has been obtained.
 10. Amendment: No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties, and approved as required. No oral understanding or arrangement not incorporated in this Agreement is binding on any of the parties.
 11. Assignment: This Agreement is not assignable by the Grantee, either in whole or in part, without the consent of OSHPD in the form of a formal written amendment.

12. Indemnification: Grantee agrees to indemnify, defend, and save harmless the State, its officers, agents, and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by the Grantee in the performance of this Agreement.
13. Disputes: Grantee shall continue with the responsibilities under this Agreement during any dispute. Any dispute arising under this Agreement shall be resolved as follows:
 - a. Grantee will discuss the problem informally with the OSHPD Program Manager. If unresolved, the problem shall be presented, in writing, to the Deputy Director stating the issues in dispute, the basis for the Grantee's position, and the remedy sought. Grantee shall include copies of any documentary evidence and describe any other evidence that supports its position with its submission to the Deputy Director.
 - b. Within ten working days after receipt of the written grievance from the Grantee, the Deputy Director or their designee shall make a determination and shall respond in writing to the Grantee indicating the decision and reasons for it.
 - c. Within ten working days of receipt of the Deputy Director's decision, the Grantee may appeal the decision of the Deputy Director by submitting a written appeal to the Chief Deputy Director stating why Grantee does not agree with the Deputy Director's decision. The Chief Deputy Director or their designee (who shall not be the Deputy Director or their designee) shall meet with the Grantee within 20 working days of receipt of the Grantee's appeal. During this meeting, Grantee and OSHPD may present evidence in support of their positions.
 - d. Within ten working days after meeting with the Grantee, the Chief Deputy Director or their designee shall respond in writing to Grantee with their decision. The Chief Deputy Director's decision will be final.
14. Termination for Cause: In addition to the Breach provisions above, OSHPD may terminate this Agreement and be relieved of any payments should the Grantee fail to perform the requirements of this Agreement at the time and in the manner herein provided. Grantee shall return any unused Agreement Funds that were previously provided to Grantee as of the date of termination.
15. Grantee's Subcontractors: Nothing contained in this Agreement shall create any contractual relationship between the State and any subcontractor of the Grantee, and no subcontract shall relieve the Grantee of its responsibilities and

obligations hereunder. The Grantee agrees to be fully responsible to the State for any and all acts and omissions of its subcontractors and of persons either directly or indirectly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from State's obligation to disburse funds to the Grantee. As a result, the State shall have no obligation to pay or to enforce the payment of any money to any subcontractor.

16. **Governing Law:** This Agreement is governed by and shall be interpreted in accordance with the laws of the State of California.
17. **Unenforceable Provision:** In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.
