To the Clerk of the Board of Supervisors:

The Santa Barbara County Board of Supervisors appoints directors to the Board of Directors of the Cachuma Resource Conservation District (Cachuma RCD) every two years under Public Resources Code section 9314. There are nine directors of the Cachuma RCD. They hold staggered terms of four years. There are four seats on the Cachuma RCD with terms expiring on November 30, 2020 (Gary Cavaletto, James Stollberg and two vacant seats).

This letter is to request that you post notice of the upcoming vacancies as required by Public Resources Code section 9314(b)(1). This letter is also to request that you send notice of the impending appointments to the Boards of Supervisors for the Counties of San Luis Obispo and Kern, parts of which are contained within the Cachuma RCD, to ensure consultation with those Boards of Supervisors per Public Resources Code section 9314(b)(1). Please note that under Public Resources Code section 9314(b)(4) the Board of Supervisors may make appointments for up to sixty days after the expiration of the terms, following which the Cachuma RCD board of directors may make the appointments.

Sincerely,

A handwritten signature in blue ink, appearing to read "AO", is written over a light blue horizontal line.
