**WHEREAS**, Government Code, Sections 8558 and 8630, et seq., and Chapter 12 of the Santa Barbara County Code empower the Director of Emergency Services to proclaim the existence or threatened existence of a local emergency when the County is affected or likely to be affected by a public calamity and the Board of Supervisors is not in session, subject to ratification by the Board of Supervisors within seven days; and

**WHEREAS**, drought conditions of extreme peril to the safety of persons and property have arisen within this County; and

**WHEREAS**, the Director of Emergency Services of the County of Santa Barbara did proclaim the existence of a Local Emergency Caused by Drought Conditions within Santa Barbara County on the 17<sup>th</sup> day of January 2014, at 2:00 p.m., at which time the Board of Supervisors was not in session; and

**WHEREAS**, drought conditions of extreme peril to the safety of persons and property in Santa Barbara County persist, and warrant the ongoing Proclamation of Local Emergency Caused by Drought; and
