Summary Text:

This item seeks Board approval to ratify and authorize the County Health Department (CHD) Director to execute the GE Precision Healthcare, LLC Service Quotation (B65033A) for the period of November 5, 2020, through November 4, 2027, covering service and maintenance of CHD’s ultrasound systems.

Discussion:

CHD is seeking Board approval to ratify and authorize the CHD Director, or their designee, to execute the GE Precision Healthcare, LLC Service Quotation (B65033A) for service and maintenance of CHD’s ultrasound systems, which include routine preventive maintenance and calibration.

Approval of this request will ensure CHD complies with the new Procurement guidelines and allow for future amendments to the original GE Precision Healthcare, LLC Service Quotation.

Background:

On November 6, 2020, CHD signed a Service Quotation (B65033A) with GE Precision Healthcare, LLC for the service and maintenance of the ultrasound systems listed in Schedule A of the Agreement (Attachment A). CHD was operating under the Blanket Purchase Order BL03075 from November 5, 2020, through June 30, 2022 (Attachment B), and BL2478 from July 1, 2022, through June 30, 2023 (Attachment C). Two Change Orders were made to BL2478. The first Change Order BL2478 (CO4053) was made to increase the contract amount from \$12,000 to \$15,000 per fiscal year (Attachment D). The second Change Order BL2478 (C05067) was made to extend the performance period to June 30, 2024 (Attachment E).

During fiscal year (FY) 2024-25, CHD attempted to convert the Blanket Purchase Order (BL2478) into a service contract in accordance with new Procurement recommendations. However, the vendor refused to sign the new agreement for FY 2024-25, asserting the original Agreement remained in effect and that they intended to use the terms and conditions from the initial negotiation. For this reason, CHD is requesting authorization and ratification of Quotation (B65033A) in an abundance of caution, even though CHD is seeking to pay for services from November 2025 through November 4, 2027. The ratified quotation is for service and maintenance of CHD’s ultrasound systems from November 5, 2020, through November 4, 2027, totaling \$105,000.

Fiscal and Facilities Impacts:

GE Precision Healthcare, LLC is included in the adopted budget for FY 2025–26 and will be included in the department’s requested budgets for FY 2026-27 and FY 2027-28, subject to Board approval.

Funding Source	FY 2025-26	FY 2026-27	FY 2027-28	Total
General Fund	\$15,000	\$15,000	\$5,000	\$35,000
Total	\$15,000	\$15,000	\$5,000	\$35,000
