If you are now, or have ever been employed by the County of Santa Barbara, please list the department in which you worked, your title, and the dates you were employed.

No I have never been employed by the County.

Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I feel it is our obligation to give back to this great community. Our office is located on coast village road and I do work in the Montecito area and feel it is my turn to give something back to this wonderful community. I enjoy Architecture and the santa Barbara area so very much .

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I currently serve on the hope Ranch Design review board and the Pepper hill community design review board . I have over 32 years of experience as an Architect living and working in this area. I have owned my own Architectural firm for 27 of those 32 years here. I am familiar with the requirements of the area, the county ordinances as well as other ordinances and requirements from other jurisdictions. I feel I can bring that knowledge and assistance to the board and the review process. Please review my website. www.pacificarchitectsinc.com sincerely, William S. Wolf Thank You for your consideration

Pacific Architects is committed to providing our clientele with the highest quality of services in the disciplines of architecture, planning and interior design.

Pacific Architects

Established in 1988, our practice is founded upon design excellence, technical expertise and project management strength. We seek to create original, thoughtful and distinctive solutions tailored to our clients unique requirements, circumstances, and personalities. Our methodology is distinguished by clear conceptual thinking, attention to detail and thoroughness of execution. We encourage client participation in a collaborative design process that addresses the functional requirements as well as the creative potential of each project. Long-standing client relationships suggest that our designs are sensitively attuned to user needs, market demands and the goals of the communities within which we work. Drawing from a great depth of experience and project diversity, Pacific Architects dedicates itself to making substantive and enduring design.

Pacific Architects, Inc.

William S. Wolf, Architect

Principal

William Wolf is an architect with over 25 years of professional experience in a variety of project types and a vast selection of clients. As Managing Principal of Pacific Architects In Santa Barbara, CA., for over 20 years, he has overseen the firm's design and implementation of projects in a variety of settings. His project experience includes: *Commercial* – Offices, Retail Shops, Restaurants, Banks, Medical Buildings, Markets, Hotels, Motels, Spas, and Health Facilities. *Institutional* – Educational, Manufacturing, Laboratory, Government, and Religious Facilities. Court Houses, Recreational Facilities, Museums, and Galleries. *Residential* – Single Family and Multi family Projects.

Mr. Wolf received his B.S. in Architecture from California Polytechnic State University San Luis Obispo, California. Prior to starting Pacific Architects, his initial experience was with architecture firms, both in Los Angeles, CA. and Santa Barbara, CA., as a Design Associate. He also worked with Dinwiddie Construction of Los Angeles, CA., as Project Engineer on aerospace research facilities projects. He has been a teacher in the Kids Draw Architecture Series, an educational program for children in Santa Barbara, CA. He has also provided educational lectures to the Real Estate community and has been guest speaker to many other Architectural interest groups. He has received awards for design excellence and for Community Beautification Projects throughout his many years of Architectural Practice. In 2008, he was published in the book *Dream Homes, Coastal California*.
