Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I grew up riding horses all through the Santa Ynez Valley. As the valley has grown, there seems to have been no planning/trails protected for riders or for pedestrians. It is important that people are not walking, riding, walking their dogs on the same pavement as cars. Traffic is increasing and will continue to increase. I would like to attempt to improve walking and riding options for residents.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I've lived here since 1975. Went to high school here. Have a business here and my family also lives here. I've been here long enough to remember when this was a premier horse valley- one of the best horse communities in the nation. Alamo Pintado Equine clinic is still here. Monty Roberts and Shiela Varian are also still located here. Horses add to the marketability and ambience of the valley being a top notch place. Lets make sure the horses don't disappear.
