Executive Summary and Discussion:

Kellee Clougherty, M.D., Bob Black, M.D., Edwin Feliciano, M.D., and David K. Fennell, M.D., are part of a group of Contractor-On-Payroll psychiatrists providing staffing to the Calle Real, Lompoc, and Santa Maria Clinics in Santa Barbara County. The doctors will perform diagnostic, medication, and involuntary admission evaluations, prescribe and administer medication, and provide training, education and support to ADMHS staff and/or Multi-Disciplinary Team members as needed. Each of the doctors will work between 20 and 40 hours per week in the clinics to which they are assigned.

John Scott is a rehabilitation (Rehab) specialist working in the Santa Barbara PHF. Mr. Scott provides Rehab services to seriously mentally ill adults in an effort to assist their re-entry into the community. These Rehab services include assisting with daily living skills, assessment and evaluation of progress, and the development of an intervention plan based on the occupational therapy evaluation.

Your Board is now requested to approve the Kellee Clougherty, M.D., Bob Black, M.D., Edwin Feliciano, M.D., David K. Fennell, M.D., and John Scott contracts. Approval of these contracts will allow ADMHS to continue to provide mandated psychiatric services throughout the county and rehab services in the PHF.
