HOME-ARP Tenant-Based Rental Assistance (TBRA) Program

INTRODUCTION

This Scope of Services is attached to and incorporated into the Subrecipient Agreement (Agreement) between the County of Santa Barbara, California (COUNTY) and the Housing Authority of the City of Santa Barbara, California (SUBRECIPIENT). The purpose of this Scope of Services is to further describe the Tenant-Based Rental Assistance program that will be administered by SUBRECIPIENT in accordance with [HOME-ARP Notice CPD-21-10](#) which establishes requirements for funds appropriated under section 3205 of the American Rescue Plan Act of 2021 (P.L. 117-2) (ARP) for the HOME Program to provide homelessness assistance and supportive services.

1. ACTIVITY DESCRIPTION AND PERFORMANCE GOALS

SUBRECIPIENT shall provide security deposit payments on behalf of tenants in order to assist low-income households to secure decent, safe and sanitary housing. SUBRECIPIENT may, at SUBRECIPIENT's discretion, also provide monthly rental assistance, and may provide utility deposits to utility companies when utility deposit payments are made in conjunction with security deposit and/or rental assistance.

SUBRECIPIENT expects to serve approximately nine (9) households with rental and security deposit assistance with HOME-ARP Award TBRA funds during the Term.

2. LOCATION

The Housing Authority of the City of Santa Barbara shall utilize HOME-ARP Award TBRA funds for residents in the County of Santa Barbara.

3. PROGRAM POLICIES AND PROCEDURES

SUBRECIPIENT shall administer the HOME-ARP TBRA Program (Program) in accordance with an Administrative Plan (Plan) approved by COUNTY. The Plan shall include written procedures on how the HOME-ARP TBRA Program will be implemented in conformance with the federal HOME-ARP Program regulations and this Agreement, and shall include at a minimum:

- An Affirmative Marketing and Tenant Selection Plan (see Section 4.3 of this Scope of Services);
- An application or intake process, including but not limited to use of a homelessness continuum of care coordinated entry system (CES);
- Verification or determination of household eligibility;
- Where necessary, a process for determining income-eligibility in accordance with 24 CFR Part 5; including documents required by the HOME-ARP TBRA applicant;
- The process for inspecting rental units for housing quality standards set forth in 24 CFR 982.401;
- A description of whether a waiting list will be maintained and how applicants will be selected from the waiting list;
- Provision of prompt written notification to any rejected applicant of the grounds for any rejection;

- Landlord requirements, including but not limited to compliance with lead-based paint disclosure provisions set forth at 24 CFR 35 Subpart A and HOME-required lease provisions and prohibited lease terms;
- Implementation Plan for compliance with the Violence Against Women Act (VAWA) required by 24 CFR 92.359 and 24 CFR part 5 subpart L.

In the event of a discrepancy between the HOME-ARP Regulations and the provisions of this Agreement, the HOME-ARP Regulations shall apply. The Administrative Plan may be amended from time-to-time with COUNTY approval.

4. PROGRAM REQUIREMENTS

4.1 Eligible Tenants— The HOME-ARP TBRA Program requires that HOME-ARP Award funds be used to primarily benefit individuals and families in the following specified Qualifying Populations (QPs). Any individual or family who meets the criteria for these four (4) QPs is eligible to receive assistance or services funded through HOME-ARP TBRA without meeting additional criteria (e.g., additional income criteria):

4.1.1 Qualifying Population Homeless, as defined in [24 CFR 91.5 Homeless](#) (1), (2), or (3);

4.1.2 Qualifying Population At risk of Homelessness, as defined in [24 CFR 91.5 At risk of homelessness](#)

4.1.3 Qualifying Population Fleeing, or Attempting to Flee, Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking, as defined by HUD, [Notice CPD-21-10](#)

4.1.4 Qualifying Population Other Populations, where providing supportive services or assistance under section 212(a) of NAHA ([42 U.S.C. 12742\(a\)](#)) would prevent the family's homelessness or would serve those with the greatest risk of housing instability. HUD defines these populations as individuals and households who do not qualify under any of the populations above but meet one of the following criteria:

(a.) Other Families Requiring Services or Housing Assistance to Prevent Homelessness is defined as households (i.e., individuals and families) who have previously been qualified as "homeless" as defined in [24 CFR 91.5](#), are currently housed due to temporary or emergency assistance, including financial assistance, services, temporary rental assistance or some type of other assistance to allow the household to be housed, and who need additional housing assistance or supportive services to avoid a return to homelessness.

(b.) At Greatest Risk of Housing Instability is defined as household who meets either paragraph (i) or (ii) below:

(i) has annual income that is less than or equal to 30% of the area median income, as determined by HUD and is experiencing severe cost burden (i.e., is paying more than 50% of monthly household income toward housing costs);

(ii) has annual income that is less than or equal to 50% of the area median income, as determined by HUD, AND meets one of the following

conditions from paragraph (iii) of the “At risk of homelessness” definition established at [24 CFR 91.5](#):

- (A) Has moved because of economic reasons two or more times during the 60 days immediately preceding the application for homelessness prevention assistance;
- (B) Is living in the home of another because of economic hardship;
- (C) Has been notified in writing that their right to occupy their current housing or living situation will be terminated within 21 days after the date of application for assistance;
- (D) Lives in a hotel or motel and the cost of the hotel or motel stay is not paid by charitable organizations or by Federal, State, or local government programs for low-income individuals;
- (E) Lives in a single-room occupancy or efficiency apartment unit in which there reside more than two persons, or lives in a larger housing unit in which there reside more than 1.5 persons reside per room, as defined by the U.S. Census Bureau;
- (F) Is exiting a publicly funded institution, or system of care (such as a health-care facility, a mental health facility, foster care or other youth facility, or correction program or institution); or
- (G) Otherwise lives in housing that has characteristics associated with instability and an increased risk of homelessness, as identified in the recipient's approved consolidated plan

All income calculations to meet income criteria of a QP or required for income determinations in HOME-ARP eligible activities must use the annual income definition in [24 CFR 5.609](#) in accordance with the requirements of [24 CFR 92.203\(a\)\(1\)](#).

Veterans and Families that include a Veteran Family Member that meet the criteria for one of the QPs described above are eligible to receive HOME-ARP assistance.

Consistent with the County’s 2020-25 Consolidated Plan, there will be a veteran preference for HOME-ARP TBRA Eligible Tenants.

4.2 Eligibility Certification— Upon intake, SUBRECIPIENT shall verify eligibility of selected tenant(s) by utilizing the continuum of care coordinated entry system (CES). Any individual or family who meets the criteria for the four (4) QPs (see Section 4.1 of this Scope of Services) is eligible to receive assistance or services funded through HOME-ARP TBRA without meeting additional criteria (e.g., additional income criteria). Certification of eligibility may be made by the CES Coordinating Agency, its delegates or partners; or the SUBRECIPIENT.

4.3 Affirmative Marketing and Tenant Selection— SUBRECIPIENT shall use the continuum of care coordinated entry system (CES) for selection of tenants who meet criteria for one or more of the qualifying populations described under 4.1 herein. SUBRECIPIENT’s Administration Plan may describe its own target market and tenant selection criteria in accordance with the COUNTY-approved Affirmative

Marketing Policy, Exhibit E, 24 CFR 92.209(c) and 92.351; and how the Program will meet a need established in the COUNTY'S Consolidated Plan. However, the HOME-ARP TBRA Program shall not be administered in a manner that limits the opportunities of persons on any basis prohibited by law, including, but not limited to, the Fair Housing Act and other laws listed under 24 CFR 5.105(a); or that fails to ensure certified eligible tenants per 4.1 herein.

4.4 Supportive Services— In conjunction with HOME-ARP TBRA assistance, a simultaneous award of services to Tenant households may be made in accordance with Section VI.D of the HOME-ARP Notice CPD-22-13, as well as provide particular types of other nonmandatory services that may be most appropriate for persons with a special need or a particular disability. Supportive Services will be funded separately and administered by the continuum of care CES Coordinating Agency, its delegates, or partners in accordance with its separate applicable Agreements.

4.5 Owner and Landlord Requirements— A HOME-ARP lease addendum—a copy of which is provided as Exhibit C—may be incorporated into or attached to the Tenant lease, if necessary. Regardless, SUBRECIPIENT shall ensure property owners and landlords comply with:

4.5.1 The lease provisions of 24 CFR 92.253(a), which require a written lease between the tenant and the owner of rental housing assisted with HOME funds for a period of not less than one year, unless by mutual agreement between the tenant and the owner a shorter period of at least a month is specified.

4.5.2 24 CFR 92.253(b), which lists prohibited lease terms;

4.5.3 24 CFR 92.253(c), which describes the conditions under which an owner can terminate a lease and requires a 30 day notice of eviction at a minimum;

4.5.4 The tenant selection requirements of 24 CFR 92.253(d); and

4.5.5 Property standards and lead-based paint requirements provided in Section 3.7 of this Scope of Services.

4.6 Eligible Housing Units— TBRA Tenants must be free to choose the eligible unit of their choice. Eligible housing (TBRA Units) includes publicly or privately owned residential structures, which may include the following housing types:

- Manufactured housing and manufactured housing lots;
- Permanent housing for disabled homeless persons;
- Transitional housing;
- Single-room occupancy housing; and
- Group homes.
- Housing also includes elder cottage housing opportunity (ECHO) units that are small, free-standing, barrier-free, energy-efficient, removable, and designed to be installed adjacent to existing single-family dwellings.

Residential structures financed either with or without public funds, including Section 8 Housing Choice Vouchers, are equally acceptable.

4.6.1 TBRA Units do not include emergency shelters (including shelters for disaster victims) or facilities such as nursing homes, convalescent homes, hospitals, residential treatment facilities, correctional facilities, halfway houses, housing for students, or dormitories (including farmworker dormitories) [24 CFR 92.2]. TBRA assistance shall not be provided to households who own the TBRA Unit in which they reside.

4.7 Reasonable Rent— SUBRECIPIENT shall assess whether the TBRA Unit’s rent is reasonable, based on rents charged for comparable unassisted rental units as determined by the County’s public housing authority for the Section 8 Housing Choice Voucher Program, or by a survey conducted by the SUBRECIPIENT of comparable units in the TBRA Unit’s market area. Only those units with rents determined to be reasonable shall be eligible for TBRA program assistance. SUBRECIPIENT shall document its assessment of rent reasonableness and keep such documentation on file as part of SUBRECIPIENT’S recordkeeping responsibilities as described in the Agreement and in 24 CFR 92.508. Under no circumstances shall TBRA Unit rent exceed the Fair Market Rent as established by HUD.

4.8 Property Standards and Lead-Based Paint— All TBRA Units shall meet Section 8 Housing Quality Standards, [in accord with 24 CFR 982.401]. SUBRECIPIENT shall inspect each TBRA Unit prior to occupancy to confirm that the unit meets the above standards [24 CFR 982.401 (a)(3)], and re-inspect every 12 months when the tenant is receiving monthly TBRA assistance [24 CFR 92.504 (d)(1)(iii)]. The SUBRECIPIENT shall maintain adequate documentation of all inspections of TBRA Units. Upon request by the COUNTY, SUPRECIPIENT shall make TBRA Units available for COUNTY staff inspection. SUBRECIPIENT shall ensure that TBRA Tenants who occupy TBRA Units that were constructed prior to 1978 receive the required disclosures of 24 CFR 35.88 that include disclosure by owner or landlord of the presence of any known lead-based paint and/or lead-based paint hazards in the TBRA Unit, including the location of the hazards and the basis for the determination. TBRA Tenants also must receive a copy of the federal pamphlet titled *Protect Your Family From Lead in Your Home* which is available at the following link: <http://www.epa.gov/lead/leadprot.html>.

4.9 Written Notification— SUBRECIPIENT shall notify in writing the TBRA Tenant and the landlord when the Lease and/or Lease Addendum are acceptable [24 CFR 92.209(k)].

4.10 TBRA Contract and Lease Addendum— The TBRA Tenant and landlord must execute a SUBRECIPIENT-approved TBRA Contract (and a Lease Addendum, if there is one) before the TBRA Tenant may participate in the Program and before SUBRECIPIENT may pay any form of assistance to a participating landlord or utility company.

4.11 Fees— SUBRECIPIENT shall not charge fees to TBRA Tenants or property owners or landlords for the costs of administering the HOME-ARP TBRA Program, except as permitted by 24 CFR 92.214(b)(1)(ii). SUBRECIPIENT must ensure that fees charged to TBRA Tenants by property owners or landlords are in compliance with 24 CFR 92.214 (b)(3)

4.12 Eligible costs— TBRA assistance may be provided directly to the TBRA Tenant or to landlords or utility companies on behalf of a TBRA Tenant for a maximum period of twenty-four (24) months. Eligible costs include:

4.12.1 One-time Security Deposit payments on behalf of eligible tenants (TBRA Tenants) who will occupy an eligible rental unit (TBRA Unit). The Security Deposit payment shall not exceed an amount equal to two (2) times the amount of the TBRA Tenant’s monthly rent, inclusive of all subsidies, for the TBRA Unit;

4.12.2 Monthly Rental Assistance payments on behalf of TBRA Tenants who occupy TBRA Units, in accordance with 24 CFR 92.209(h), in an amount not to exceed the difference between a rent standard for the unit size established by the participating jurisdiction and 30 percent of the family's monthly adjusted income. In any event, TBRA Tenants must contribute a minimum of fifty-dollars (\$50.00) per month from their own funds toward the total rent. SUBRECIPIENT shall determine Tenant-paid utilities based on the current Utility Allowance Schedule used by the Public Housing Authority serving the area in which the TBRA Unit is located;

4.12.3 One-time Utility Deposit payments on behalf of TBRA Tenants when deposits are required by utility companies. Utility Deposits are eligible costs only if Utility Deposits are provided in conjunction with a Security Deposit and/or monthly rent assistance. Utility Deposits may be used for utilities permitted under the Section 8 Utility Allowances. This includes electric, gas, water and trash, but does not include telephone, internet access, or cable television; and

4.12.4 The costs incurred by SUBRECIPIENT to inspect TBRA Units in accordance the Housing Quality Standards set forth at 24 CFR 92.209(i) and to determine income eligibility of TBRA Tenant(s) in accordance with 24 CRF Part 5.

County of Santa Barbara HOME Investment Partnerships Program Affirmative Marketing Policy

Policy Statement:

In accordance with the Regulations of the HOME Program (24 CFR 92.351) and in furtherance of County of Santa Barbara's commitment to non-discrimination and equal opportunity in housing, the County of Santa Barbara has established procedures to affirmatively market units rehabilitated or acquired under the HOME Program. These procedures are intended to further the objectives of title VIII of the Civil Rights Act of 1968, Executive Order 11063, and the Housing Element of the County of Santa Barbara Comprehensive Plan.

The County of Santa Barbara believes that individuals of similar economic levels in the same market area should have available to them a like range of housing choices regardless of their race, ethnicity, national origin, religion, sex, disability, and familial status.

The County of Santa Barbara is committed to the goals of affirmative marketing, which will be implemented in our HOME Program through a specific set of steps that the County and participating owners/developers will follow. These goals will be reached through the following procedures:

1. Informing the public, potential tenants, and owners about Federal fair housing laws and affirmative marketing policies. The County of Santa Barbara's Housing and Community Development Division (HCD) will inform the public, potential tenants, property owners and developers about this policy and fair housing laws through the use of the County web pages and the availability of fair housing flyers and informational materials on public display at the HCD office and at appropriate community resource events.
2. The County of Santa Barbara expects developers/owners to inform the general renter/potential homebuyer public about available rehabilitated or newly constructed units by carrying out their own affirmative marketing. Owners/developers are expected to provide for costs associated with these requirements in their development or operating budgets. Possible methods of providing the general public with information include, but are not limited to:
 - a. Advertisements/articles in local newspapers
 - b. Notifications sent to local housing authorities
 - c. Information available at community centers, city/county buildings
 - d. Information available through web pages
3. An individualized outreach plan will be developed with input from HCD staff and the project owner/developer. This plan will identify, using census data and local

housing market data, any persons that might need special outreach as they are not likely to be aware of opportunities or apply for units in a particular location. This plan will outline action items, such as printing flyers in multiple languages, distribution of information, and specific media outlets appropriate for the persons needing to be targeted.

4. The County of Santa Barbara will require that owners keep records on:
 - a. The racial/ethnic and gender characteristics of tenants and applicants during the initial post-construction lease-up period and for all rental vacancies thereafter for a period of 5 years.
 - b. The racial/ethnic and gender characteristics of homebuyers and applicants during the construction period and thereafter until all homebuyer units are sold.
 - c. Activities they undertake to inform the general public, including copies of advertisements placed, copies of flyers, and copies of letters to the local housing authorities.
 - d. Activities undertaken to inform special populations including advertisements placed in specialized media and copies of letters, notices, or flyers distributed.

5. HCD will assess the affirmative marketing efforts of property owners/developers.
 - a. To determine if good faith efforts have been made on the part of the owner/developer, HCD staff will examine affirmative marketing records that owners are required to maintain in accordance with this policy.
 - b. To determine results, HCD staff will assess property owners' marketing efforts in relation to whether or not persons from the specialized populations targeted have in fact applied for and/or become tenants/homeowners in the rehabilitated or newly constructed units.
 - c. If the representation of identified groups is not broad or the identified groups are not represented, staff will review the affirmative marketing procedures to determine what changes, if any, might be made to the affirmative marketing efforts.
 - d. HCD staff will seek the input of property owners/developers for their analysis and suggestions concerning the affirmative marketing campaign.

6. The County of Santa Barbara will take corrective action if it is identified that an owner/developer fails to carry out the required procedures or fails to maintain the records on tenants/homeowners and applicants in accordance with this policy.
 - a. Every effort will be made to collaboratively improve the effort of owners/developers, prior to taking corrective actions.
 - b. If an owner/developer continues to fail to meet the affirmative marketing requirements, HCD staff may, after fair warning and an opportunity to correct deficiencies, disqualify an owner/developer from further participation in future HOME-funded Programs.

SUBRECIPIENT's indemnification obligation applies to COUNTY's active as well as passive negligence but does not apply to COUNTY's sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

SUBRECIPIENT shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

SUBRECIPIENT shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the SUBRECIPIENT, his agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if SUBRECIPIENT has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.
4. **Professional Liability (Errors and Omissions)** Insurance appropriate to the SUBRECIPIENT'S profession, with limit of no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to COUNTY.

EXHIBIT F

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the SUBRECIPIENT including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the SUBRECIPIENT's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the SUBRECIPIENT's insurance coverage shall be primary insurance as respects COUNTY, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by COUNTY, its officers, officials, employees, agents or volunteers shall be excess of the SUBRECIPIENT's insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to COUNTY.
4. **Waiver of Subrogation Rights** – SUBRECIPIENT hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said SUBRECIPIENT may acquire against COUNTY by virtue of the payment of any loss under such insurance. SUBRECIPIENT agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by COUNTY. COUNTY may require the SUBRECIPIENT to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – SUBRECIPIENT shall furnish COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the SUBRECIPIENT's obligation to provide them. The SUBRECIPIENT shall furnish evidence of renewal of coverage throughout the term of the Agreement. COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and

EXHIBIT F

failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.

9. **Subcontractors** – SUBRECIPIENT shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and SUBRECIPIENT shall ensure that COUNTY is an additional insured on insurance required from subcontractors.

10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the SUBRECIPIENT must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.

11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. SUBRECIPIENT agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
