**12. EXPERIENCE:** Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I am interested in serving in the County of Santa Barbara Commission for Women, because I love the idea of being part of a committee that focuses on improving the lives of all women in Santa Barbara County. I believe that when women empower each other, we become a stronger community. I currently serve as the Vice President of Education of Toastmasters Valle de Santa Maria, the first spanish public speaking and leadership club in Toastmasters International District 33. I like to volunteer in the community as much as I can. Since I migrated to the U.S., various community programs managed by volunteers have impacted my academic and personal life positively. Inspired by those who have helped me, I always make it a goal to giveback to the community I live in. It will be a privilege to be part of the Commission for Women, and to the best of my ability help this committee meet their goals and through the journey motivate other local girls and women to do the same for future generations.

**13. ADDITIONAL INFORMATION:** Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional sheets as necessary.

I currently work as a creative services producer for Univision KMPR 38, and I am a freelance translator for the Santa Maria Times, Santa Maria Valley Chamber of Commerce, the Central Coast's Alzheimer's Association, and Evaluation Specialists, among other organizations. I also work as a freelance videographer for Downtown Fridays Santa Maria. I have event planning skills and social media management experience. I volunteer as a community representative for the North County Head Start's Parenty Policy Council.
