Recommended Actions:

That the Board of Supervisors:

- a) Approve and authorize the Chair to execute the attached Statement of Final Quantities for Santa Claus Lane Streetscape Improvement; County Project No. 720783; in the First Supervisorial District.
- b) Determine that the approval of Statement of Final Quantities is an administrative activity that will not result in direct or indirect physical changes in the environment and is therefore exempt from the provisions of the California Environmental Quality Act pursuant to State CEQA Guidelines Section 15378(b)(5).

Summary Text:

This item is on the agenda to approve the Santa Claus Lane Streetscape Improvement Phase 1A project as constructed and approve the attached Statement of Final Quantities. The project was completed on time and on budget.

Discussion:

Santa Claus Lane Streetscape Improvement construction costs, including contingency and supplemental amounts to \$6,028,932.41, budgeted in Cost Center CC-54210, Fund FD-0017, Spend Category SC-7510, Program PG-0542830, and Project PRJ-000610 (FIN 720783).

Background:

The Santa Claus Lane Streetscape Improvements Phase 1A is located on Santa Claus Lane between Padaro Lane and Sandpoint Road and includes connection to the recently constructed Santa Claus Bike Path, which is a partially County-maintained facility. The improvements to Santa Claus Lane were developed in coordination with adjacent proposed and completed improvements involving Caltrans, City of Carpinteria, Union Pacific Railroad (UPRR), and the California Public Utility Commission, for completing a segment of the California Coastal Trail. Phase 1A of this project is the first of multiple County-led projects to provide enhanced, multi-modal transportation improvements on Santa Claus Lane, as part of the suite of parallel projects to offset impacts associated with the Highway 101 expansion.

The photo above shows a portion of the new path near the northwest end of the project, looking northwest towards the intersection of Santa Claus Lane and Padaro lane.

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

Funding Source	Total Construction Contract
State: Solutions Congested Corridors Program (SCCP) SB1	\$6,028,932.41
Total	\$6,028,932.41
