SANTA BARBARA COUNTY PUBLIC HEALTH DEPARTMENT
ENVIRONMENTAL HEALTH SERVICES FEE SCHEDULE
~~SEPTIC SYSTEMS / PRIVATE SEWAGE DISPOSAL SYSTEMS~~

ONSITE WASTEWATER TREATMENT SYSTEMS, PUMPING, MAINTENANCE AND DISPOSAL SERVICES
AND SEWAGE VIOLATION INSPECTIONS

1. Operating Permits, Fixed Fee

A. Septic Tank Pumper Trucks - Liquid Waste Haulers

Annual registration/inspection fee for each vehicle engaged in the business of pumping septic tanks, cesspools, seepage pits, or chemical toilets.

Annual Registration/Inspection Fee, each vehicle \$ 149/each year

B. Alternative Disposal or Supplemental Treatment Systems

Operating permits are required for onsite waste systems that utilize an alternative dispersal system or supplemental treatment to ensure that they are functioning properly and as designed. Permits are valid for five (5) years and require regular inspections of the system by a Qualified Inspector or a trained manufacturer's representative and submittal of reports to Environmental Health Services (EHS) pursuant to the Local Agency Management Program (LAMP).

Alternative Disposal or Supplemental Treatment Systems Operating Permit \$ 324/every 5 years

C. OWTS Repair or Abandonment

A one-time permit fee is required to cover the costs of administration and enforcement of California Water Code §13282 for onsite sewage disposal system repair and abandonment plan review and evaluation.

<u>Repair Permit</u>	<u>\$ 713</u>
<u>Abandonment Permit</u>	<u>\$ 301</u>

2. Building Site Clearance, Fixed Fee

Evaluation of existing on-site sewage disposal systems that can be accomplished at an EHS office front counter, related to a minor project that does not increase potential wastewater flow and does not require any modification of the existing system, including the building sewer or 100% expansion area.

Written Notice of Clearance \$ 193

3. Voluntary Maintenance Program, Fixed Fee

A submittal fee shall be applied to each Maintenance Report submitted by the registered liquid waste pumper for review, evaluation and follow-up of noted violations.

Maintenance Report, per submittal \$ 164

1. Construction/Plan Check Fees—One time fees

A fee is required to cover the costs of administration and enforcement of California Water Code §13282 for on-site sewage disposal system plan review and evaluation by Environmental Health Services as follows:

	<u>Fee / Hours</u>
Sewage Disposal System	\$820 / (4.0 hrs)
Repair	190 / (1.5 hrs)
Abandonment	310 / (1.5 hrs)
Evaluation/Modification	410 / (2.0 hrs)
— Review and/or modification of existing on-site sewage disposal system for purpose of building remodel/addition clearances or change in occupancy.	
Simple Evaluation	\$ 40 / (20 min)
— Evaluation of existing on-site sewage disposal system that can be accomplished at the counter in 20 minutes or less, related to a minor project that does not increase potential wastewater flow and does not require any modification of the existing system, including the building sewer or 100% expansion area	

Plan check fees include review of soil tests and Environmental Health Services records, plan check of system design, site check, approval / disapproval of permit application, construction evaluation and final clearance. Plans that are found to be unsatisfactory will be returned for revision. Plans which are unusually complex or which must be resubmitted with significant changes and require staff time in excess of the hours noted above shall be charged the standard hourly rate for the excess time. Environmental Health Services will not issue plan approval or final construction approval until all applicable fees have been paid.

4. Construction/ Modification Plan Review Fees, Application plus hourly fees

All proposed new or altered systems must submit a Plan Review application, on a form approved by the EHS Director, with an application fee. The application fee is part of the overall plan review project and is non-refundable. Systems that have been operating without benefit of permit will be subject to all applicable fees.

Application Fee	\$ 255
-----------------	--------

Hourly plan review fees provide for the administration and enforcement of California Water Code §13282 for on-site sewage disposal systems. Hourly plan review fees include: review of soil tests and Environmental Health Services records, plan check of system design, site check, approval/disapproval of permit application, construction evaluation and final clearance. Plans that are found to be unsatisfactory will be returned for revision or denial. EHS will not issue plan approval or final construction approval until all applicable fees have been paid.

Hourly Plan Check Fee	\$161/per hour
-----------------------	----------------

5. Sewage Discharge Violations

An hourly rate fee, as described in Section 6, shall be charged for response to confirmed complaints of any unauthorized sewage discharges, including but not limited to, releases from onsite wastewater treatment systems or publicly operated sewage systems (in violation of Health & Safety Code § 5411). This fee shall be assessed to the owner of the property upon confirmation of the sewage

discharge violation and shall include all time rounded to the nearest quarter hour actually expended by County personnel in the investigation and abatement of the sewage discharge, including reasonable travel time.

26. Hourly Rate

\$ ~~136161~~

An hourly rate fee shall be determined by the number of person-hours, rounded up to the nearest one-quarter hour, including reasonable travel time, actually expended by Environmental Health Services personnel in performing the following services.

- A. Plan/record review and periodic inspection services of sites using reclaimed/recycled water or enhanced treatment systems.
- ~~B. Graywater system plan review, approval/disapproval to construct, inspection and final clearance.~~
- ~~C. Staff time in excess of the hours noted in Section 1, Construction/Plan Check Fees, necessary to complete any fixed fee service.~~
- ~~D.~~ B. Consultation Services – Special inspections or consultations requested by property owner
- ~~E.~~ C. Notices of Violation – Preparation, issuance and monitoring of compliance in conjunction with a Notice of Violation or other enforcement action.

37. Additional Program Charges

Photocopies each	\$ 0.35
Check returned for non-sufficient funds or closed account	3541.00

8. Prorating of Fees

The County reserves the right to prorate all fees described in this resolution at the discretion of the Director of Environmental Health Services

49. Delinquent Fees

Environmental Health Services will not issue plan approval until all appropriate fees have been paid. Fees that are invoiced by Environmental Health Services as outlined in this fee schedule, which are not paid by the due date on the invoice shall be considered delinquent, and the following additional charges added:

- A. During the first 30 days of delinquency, any unpaid portion of the balance due will have a penalty of 10% assessed.
- B. After 30 days of delinquency, an additional 15% of the unpaid balance will be assessed, and a Final Notice will be issued.
- ~~C.~~ If the delinquent fee is an annual fee for operation of a septic tank pumper truck/liquid waste hauler registration fee and such fee is not paid within two weeks from the issuance of a Final Notice, a Notice of Violation will be issued for operating without having paid the required fee. The operator will have 48 hours to pay the required fee and any penalty assessed during the delinquent period or cease the activity subject to the annual fee.
- ~~C.~~ D. If the fee, and any penalty assessed pursuant to this resolution, is not paid within three weeks from the date on the Final Notice, the unpaid balance may be referred to the County Treasurer/Tax Collector’s office or the County’s contracted collection agency for collection. In addition to the fee(s) and any penalties associated with delinquent fee(s) as described above, accounts referred for collection shall be charged for the actual cost associated with collection efforts. The delinquency fees are in addition to any other remedies available to the County.

~~D.E.~~ If any person required to pay a fee pursuant to this resolution has an outstanding balance due for any service rendered by Environmental Health Services, any past due amount shall be paid before Environmental Health Services will approve a subsequent application from that person or renewal of an existing permit for that person, unless such past due amount is waived or reduced as provided in this resolution.

510. Contest of Charges

Any person required to pay fees or charges pursuant to this resolution may file a written notice of contest of charges accompanied by such materials as will support the claim for relief, including payment in full as invoiced, with the Director (or designee) of Environmental Health Services for determination of the correct amount of fees due under this resolution. If the staff time required to review and approve construction plans addressed by this resolution is at least 30 minutes less than that allotted for that particular fee category, the applicant may request a partial refund of the fee paid.

Such written notice shall be filed with the Director (or designee) within 45 days after mailing or personal delivery of the fee invoice or other notification of fees due. This period may be extended by the Director upon a showing of good cause. Upon receipt of such written notice of contest of fees, the Director (or designee) shall make a decision on said contested fees. The decision shall be final with no further right of review. Failure to include payment in full as invoiced will result in denial of review.

Refunds made as a result of this process shall be paid by Environmental Health Services and shall not include interest.

611. Fee Waiver

Any person required to pay fees pursuant to this fee resolution may file a written application, including payment in full as invoiced, with the Board of Supervisors for a waiver or reduction of any said fees, or any part thereof. The Board of Supervisors may waive or reduce the fees to the extent permitted by law and public policy, upon a showing of good cause by the applicant. The application shall be filed with the Clerk of the Board of Supervisors within 45 days after mailing or personal delivery of the fee invoice. Failure to include payment in full as invoiced will result in denial of review.

Refunds made as a result of this process shall be paid by Environmental Health Services and shall not include interest.
