For any construction of improvements or alterations by Licensee in, on, or about the easement area, Licensee hereby represents and agrees that it shall obtain all necessary permits and/or other governmental approvals from the appropriate governmental agencies, including the City of Goleta as the local land use authority, and comply with all laws with respect to the approval of said improvements or alterations at its sole expense. Issuance of all required permits and governmental approvals is a precondition of any work that may be performed in connection with this Agreement. Execution of this Agreement in no way constitutes approval by District for Licensee's activities, and nothing in this Agreement shall be construed as an entitlement, permit, or clearance. Failure to comply with all conditions of said permits and approvals shall constitute a material breach of this Agreement.
