Ref: Hearing, Crown Castle appeal, case Nos 13CUP-0000-00002

Request or Denial of Appeal

Ladies and gentlemen,

We, undersigned Eva and Joseph Masin are owners of the property located at _____, Santa Barbara, CA 93108, the site of the proposed installation of communications equipment.

We do not agree with the appellant's claim for need to improve wireless communication service in the area.

The above property is our home where we live, representing a significant value to our family. The installation of the above ground equipment on our property will significantly impact the aesthetical appeal of the area and diminish the value of our property.

We ask the Board to deny the appeal.

Thank you,

Joseph V. Masin
