To the Board,

Please accept the donation of 36 acres of additional land to Jalama State Beach. More public access to this area is crucial to allow Californians the use of its coastline.

Thank you,

Marsha Bellinger

Dear county superintendents

Please vote to accept the donation of 20 + acres of land to expand Jalama County Park.

You will be celebrated for doing so!

Thank you.

Please read - The County should accept the 36 acres offered to address historic coastal zone violations on Cojo/Jalama Ranch. This park is a treasure, and any opportunity to expand it for use to the public should be taken. Please direct staff to process the offer as soon as possible, and enhance public use of Jalama County Park.

I'm looking forward to hearing about the acceptance of the donation, and the plans to improve the park!

Dear Board of Supervisors --

As a recent discoverer of Jalama Beach --- and the AMAZING clam chowder -- and as a native Santa Barbarian of 70 years, I urge you to accept the land donation to increase the size and the accessibility of this wonderful coastal park.

I think we are all aware that land is a precious commodity and those lands that come into the public domain are to be acquired with gratitude and stewarded well for our grandchildren and the health of our special coast. As a member of Los Padres forestWatch and the Gaviota Conservancy, I and my husband are both in favor of this land acquisition and look forward to enjoying Jalama for many years to come.

Thank you,

Subject: Jalama beach expansion

Caution: This email originated from a source outside of the County of Santa Barbara. Do not click links or open attachments unless you verify the sender and know the content is safe.

I have been camping at jalama beach for over 40 years and my kids grew up at our local wonder. Please vote to accept the additional land from Cojo/Jalama ranch and please move quickly to expand the park with more camping sites. Cabins, and beach access I would also encourage the supervisors to return all additional camping sites to 50/50 on reservations. This beach is a county park not a state one and the park should first and for most provide local county residents an opportunity to use it. Right now it has become a nightmare to try and go camping locally since all of the sites except for 6 can be reserved a year in advance. I understand the need to be able for people traveling a great distance to come here and hope there is a spot once there here. So please just balance it 50/50 When it comes to reservations vs. First come service!

Please be advised that I support the County's acceptance of the 36 acre donation of land to address historic coastal zone violations on Cojo/Jamala Ranch. Please direct staff to process the offer as soon as possible, in order to enhance public use of Jalama County Park. Thank you for your consideration in serving the residents and taxpayers of Santa Barbara County, allowing them to better utilize and enjoy our precious coastal lands, and for your commitment to preserving those lands for our communities.

County Board of Supervisors,

I would like to thank you for all of your hard work and then, strongly urge you to accept the 36 acre land donation at Jalama Beach. We need all of the open space and California beach front that we can get...this is a once in a lifetime opportunity - I urge you to act on behalf of all of us now, and all of us who will enjoy this marvelous beach in the future.

Cheers!

Hello,

My name is Bryan Van Derhyden.

As a life long SB county resident, who grew up near Jalama I encourage the county to purchase the 36 acres offered to the county that could expand Jalama county park.

Being extremely familiar with the area I also know that the relocation of the kiosk, and installation of additional parking may come into conflict with certain stands of native coastal plant habitat. My concern lies specifically with the protection of the stands of Giant Coreopsis plants. (https://en.wikipedia.org/wiki/Coreopsis_gigantea) If this plan were to go through it would be paramount to protect theses ancient and beautiful plants.

Thank you, Bryan Van Derhyden

Dear Board Members-

I urge you to support acceptance of the 36 acre parcel adjacent to Jalama Beach. Protection of natural resources and providing some form of public access for the Jalama Beach area is a critical piece of high priority coastal protection for Santa Barbara County.

Thank you for your careful consideration of this donation.

Richard B. Tobin
