**SUBJECT:** South Coast Household Hazardous Waste Collection and Disposal Program Management  
Contract Amendment  
First, Second and Third Supervisorial Districts

---

**Recommendation(s):**

That the Board of Supervisors:

Approve and execute:

The attached Amendment to the Agreement (BC 03023) for the management of the Community Household Hazardous Waste Collection Center with the Community Environmental Council for \$40,840.00 for a total not-to-exceed amount of \$601,499 to cover increased hazardous material disposal costs for the term July 1, 2002 to June 30, 2003.

**Alignment with Board Strategic Plan:**

The recommendation is primarily aligned with a safe and healthy community in which to live, work, and visit.

**Executive Summary and Discussion:**

To reduce the quantity of improperly discarded hazardous materials from households and small businesses, the County has supported the development and operation of a model community hazardous materials collection program. This support has resulted in a unique public/private partnership between Santa Barbara County, the University of California Santa Barbara (UCSB), and the Community Environmental Council, Inc. (CEC). The program, which opened in October 1993 is housed at the Environmental Health & Safety

Hazardous Waste Facility at the UCSB campus, is managed by the CEC, and funded by the County. The University's Community Hazardous Waste Collection Center (CHWCC) is open on the weekends for use by residents and to small businesses on Fridays by appointment. Residents and businesses from the unincorporated communities of the Goleta Valley, Montecito, Summerland, the Carpinteria Valley and the Cities of Santa Barbara and Goleta may use the facility. Businesses reimburse the program for the cost of transportation and disposal of materials they deliver to the facility. The advantage of this facility is that it provides residents and small businesses a convenient way to safely dispose of unwanted hazardous waste on a weekly basis.

CEC manages the overall program for the South County, overseeing site operations and the hazardous waste disposal contractor. Additionally, CEC coordinates all public outreach, education and publicity, handles daily calls from the public, and extends technical assistance to small quantity generators of hazardous waste. The County funds the program through a program fee assessed on solid waste collection bills.

Due to an increase in the amount of hazardous materials disposed by businesses and households during Fiscal Year 2001/2002 and Fiscal Year 2002/2003, it is necessary for an Amendment to the South Coast Household Hazardous Waste and Management Contract to include an additional \$40,840.00 in funding for the disposal of hazardous waste. Although it is encouraging to see an increase in participation at the Community Hazardous Waste Collection Facility, the costs for the appropriate management of the material exceeded the estimated budget for the program. The \$40,840.00 amendment includes costs for labor, hauling, and disposal of hazardous waste. Overall, the Amendment to the South Coast Household Hazardous Waste and Management Contract will increase the contract amount from \$560,659.03 to \$601,499.03.

### **Mandates and Service Levels:**

Operation of a CHWCC is recommended in the County's Household Hazardous Waste Element (HHWE) which was prepared in order to comply with the California Integrated Waste Management Act of 1989 (Public Resources Code, Title 14, Division 7) mandates and regulation. Your Board adopted the HHWE on January 28, 1992.

There is no change in the service level provided by this program.

### **Fiscal and Facilities Impacts:**

There are no new facilities associated with the continued management of the community household hazardous waste collection center.

This new agreement will provide operational funds for the fiscal year 2002/03. Funds for the 2002/03 fiscal year agreement have been appropriated in the recommended 2002/03 Solid Waste and Utilities Division budget, derived from revenues collected from program fees assessed on solid waste collection bills.

Accounting Information: Department No. 054, Program No. 1950, Account No. 7460, Fund No. 1930

### **Special Instructions:**

Please provide the minute order, a signed and dated copy of the Agreement and the second original copy of the Agreement, if approved, to Dana Green and Georgia Navarro in the Public Works Department, Solid Waste and Utilities Division.

**Concurrence**

Auditor-Controller, County Counsel, and Risk Manager.

### YEAR 2000 DATE CHANGE COMPLIANCE WARRANTY FOR GOODS AND SERVICES

CONTRACTOR warrants that any Products furnished by CONTRACTOR pursuant to this agreement shall support a four-digit year format and be able to accurately process date and time data from, into, and between the twentieth and twenty-first centuries, and the years 1999 and 2000, as well as leap year calculations.
