Furthermore, County shall have no right to control, supervise, or direct the manner or method by which Contractor shall perform its work and function. However, County shall retain the right to administer this Agreement so as to verify that Contractor is performing its obligations in accordance with the terms and conditions hereof. Contractor agrees to the indemnification and insurance provisions as set forth in EXHIBIT C – Standard Indemnification and Insurance Provisions attached hereto and incorporated herein by reference.

16. NONDISCRIMINATION.

County hereby notifies Contractor that County's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this Agreement and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and Contractor agrees to comply with said ordinance. Contractor shall also comply with the nondiscrimination provisions set forth in EXHIBIT A-1 General Provisions: MHS to this Agreement.

17. NONEXCLUSIVE AGREEMENT.

Contractor understands that this is not an exclusive Agreement and that County shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by Contractor as the County desires.

18. NON-ASSIGNMENT.

Contractor shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of County and any attempt to so assign, subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. TERMINATION.

- A. By County.** County may, by written notice to Contractor, terminate this Agreement in whole or in part at any time, whether for County's convenience, for nonappropriation of funds, or because of the failure of Contractor to fulfill the obligations herein.

- 1. For Convenience.** County may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, Contractor shall, as directed by County, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on County from such winding down and cessation of services.

2. **For Nonappropriation of Funds.** The parties acknowledge and agree that this Agreement is dependent upon the availability of County, State, and/or federal funding.
 - i. If funding to make payments in accordance with the provisions of this Agreement is not forthcoming from the County, State and/or federal governments for the Agreement, or is not allocated or allotted to County by the County, State and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments after the effective date of such non-allocation or non-funding, as provided in the notice, will cease and terminate.
 - ii. As permitted by applicable State and Federal laws regarding funding sources, if funding to make payments in accordance with the provisions of this Agreement is delayed or is reduced from the County, State, and/or federal governments for the Agreement, or is not allocated or allotted in full to County by the County, State, and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments will be delayed or be reduced accordingly or County shall have the right to terminate the Agreement. If such funding is reduced, County in its sole discretion shall determine which aspects of the Agreement shall proceed and which Services shall be performed. In these situations, County will pay Contractor for Services and Deliverables and certain of its costs. Any obligation to pay by County will not extend beyond the end of County's then-current funding period.
 - iii. Contractor expressly agrees that no penalty or damages shall be applied to, or shall accrue to, County in the event that the necessary funding to pay under the terms of this Agreement is not available, not allocated, not allotted, delayed or reduced.

Upon Termination.** Contractor shall deliver to County all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by Contractor in performing this Agreement, whether completed or in process, except such items as County may, by written permission, permit Contractor to retain. Notwithstanding any other payment provision of this

Agreement, County shall pay Contractor for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall Contractor be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. Contractor shall furnish to County such financial information as in the judgment of County is necessary to determine the reasonable value of the services rendered by Contractor. In the event of a dispute as to the reasonable value of the services rendered by Contractor, the decision of County shall be final. The foregoing is cumulative and shall not affect any right or remedy which County may have in law or equity.

20. SUSPENSION FOR CONVENIENCE.

The Director of the Department of Behavioral Wellness or designee may, without cause, order Contractor in writing to suspend, delay, or interrupt the services under this Agreement in whole or in part for up to 120 days. 22. SEVERABILITY.

If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

23. REMEDIES NOT EXCLUSIVE.

No remedy herein conferred upon or reserved to County is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

24. TIME IS OF THE ESSENCE.

Time is of the essence in this Agreement and each covenant and term is a condition herein.

25. NO WAIVER OF DEFAULT.

No delay or omission of County to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to County shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of County.

26. ENTIRE AGREEMENT AND AMENDMENT.

In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Agreement may be altered, amended or modified only by an instrument in writing, executed by the parties to this Agreement and by no other means. Each party waives their future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel. Requests for changes to the terms and conditions of this Agreement after April 1 of the Fiscal Year for which the change would be applicable shall not be considered. All requests for changes shall be in writing. Changes shall be made by an amendment pursuant to this section. Any amendments or modifications that do not materially change the terms of this Agreement (such as changes to the Designated Representative or Contractor's address for purposes of Notice) may be approved by the Director of the Department of Behavioral Wellness or designee. 28. COMPLIANCE WITH LAW.

Contractor shall, at its sole cost and expense, comply with all County, State and Federal ordinances; statutes; regulations; orders including, but not limited to, executive orders, court orders, and health officer orders; policies; guidance; bulletins; information notices; and letters including, but not limited to, those issued by the California Department of Health Care Services (DHCS) now in force or which may hereafter be in force with regard to this Agreement. The judgment of any court of competent jurisdiction, or the admission of Contractor in any action or proceeding against Contractor, whether County is a party thereto or not, that Contractor has violated any such ordinance, statute, regulation, order, policy, guidance, bulletin, information notice, and/or letter shall be conclusive of that fact as between Contractor and County.

29. CALIFORNIA LAW AND JURISDICTION.

This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in state court, or in the federal district court nearest to Santa Barbara County, if in federal court.

of any entities, persons, or firms represented or purported to be represented by such entity(ies), person(s), or firm(s) and that all formal requirements necessary or required by any state and/or federal law in order to enter into this Agreement have been fully complied with. Furthermore, by entering into this Agreement, Contractor hereby warrants that it shall not have breached the terms or conditions of any other contract or agreement to which Contractor is obligated, which breach would have a material effect hereon.

32. SURVIVAL.

All provisions of this Agreement which by their nature are intended to survive the termination or expiration of this Agreement shall survive such termination or expiration.

33. PRECEDENCE.

In the event of conflict between the provisions contained in the numbered sections of this Agreement and the provisions contained in the Exhibits, the provisions of the Exhibits shall prevail over those in the numbered sections.

EXHIBIT B
FINANCIAL PROVISIONS

EXHIBIT B**GENERAL FINANCIAL PROVISIONS: MHS**

(Applicable to programs described in Exhibit(s) A-2 through A-6)

With attached *Exhibit B-1* MHS (Schedule of Rates and Contract Maximum), *Exhibit B-2* (Entity Budget by Program) and *Exhibit B-3* (Entity Rates and Codes by Service Type).

This Agreement provides for reimbursement for services up to the Maximum Contract Amount, reflected in Section II below and Exhibit B-1-MHS. For Medi-Cal and all other services provided under this Agreement, Contractor shall comply with all applicable requirements necessary for reimbursement in accordance with Welfare and Institutions Code (WIC) §§ 14705-14711, and other applicable Federal, State and local laws, regulations, rules, manuals, policies, guidelines and directives.

I. PAYMENT FOR SERVICES.**A. Performance of Services.**

1. Medi-Cal Programs. For Medi-Cal specialty mental health programs, the County reimburses all eligible providers on a fee-for-service basis pursuant to a fee schedule. Eligible providers claim reimbursement for services using appropriate Current Procedural Terminology (CPT®) or Healthcare Common Procedure Coding System (HCPCS) codes. Exhibit B-3 MHS contains a rate for each Eligible Practitioner or Service Type and the relevant CPT®/HCPCS code.

2. Non-Medi-Cal Programs. For Non-Medi-Cal programs and costs, Contractor shall be compensated on a cost reimbursement basis, subject to the limitations described in this Agreement and all exhibits hereto, for deliverables as established in the Exhibit B(s) based on satisfactory performance of the services described in Exhibit A(s).

B. Medi-Cal Billable Services. The services provided by Contractor as described in Exhibit A(s) that are covered by the Medi-Cal program will be paid based on the satisfactory performance of services and the fee schedule(s) as incorporated in Exhibit B-1 MHS of this Agreement.

C. Non-Medi-Cal Billable Services. County recognizes that some of the services provided by Contractor's Program(s), described in the Exhibit A(s), may not be reimbursable by Medi-Cal or may be delivered to ineligible clients. Such services may be reimbursed by other County, State, and Federal funds to the extent specified in Exhibit B-1-MHS and pursuant to Section I.E (Funding Sources) of this Exhibit B MHS. Funds for these services are included within the Maximum Contract Amount.

Specialty mental health services delivered to Non-Medi-Cal clients will be reimbursed at the same fee-for-service rates in the Exhibit B-3 MHS as for Medi-Cal clients, subject to the maximum amount specified in the Exhibit B-1 MHS. Due to the timing of claiming, payment for Non-Medi-Cal client services will not occur until fiscal year end after all claims have been submitted to DHCS and the ineligible claims are identifiable.

When the entire program is not billable to Medi-Cal (i.e. Non-Medi-Cal Program),

reimbursement will be on cost reimbursement basis subject to other limitations as established in Exhibit A(s) and B(s).

- D. Limitations on Use of Funds Received Pursuant to this Agreement.** Contractor shall use the funds provided by County exclusively for the purposes of performing the services described in Exhibit A(s) to this Agreement. For Contractor Programs that are funded with Federal funds other than fee-for-service Medi-Cal, expenses shall comply with the requirements established in OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and all other applicable regulations. Violation of this provision or use of County funds for purposes other than those described in the Exhibit A(s) shall constitute a material breach of this Agreement.
- E. Funding Sources.** The Behavioral Wellness Director or designee may reallocate between funding sources with discretion, including to utilize and maximize any additional funding or FFP provided by local, State, or Federal law, regulation, policy, procedure, or program. Reallocation of funding sources does not alter the Maximum Contract Amount and does not require an amendment to this Agreement.
- F. Beneficiary Liability for Payment.**
1. Contractor shall not submit a claim to, or demand or otherwise collect reimbursement from, the beneficiary or persons acting on behalf of the beneficiary for any specialty mental health or related administrative services provided under this Agreement, except to collect other health insurance coverage, share of cost, and co-payments. (Cal. Code Regs., tit. 9, § 1810.365 (a).)
 2. Contractor shall not hold beneficiaries liable for debts in the event that County becomes insolvent; for costs of covered services for which the State does not pay County; for costs of covered services for which the State or County does not pay to Contractor; for costs of covered services provided under a contract, referral or other arrangement rather than from the County; or for payment of subsequent screening and treatment needed to diagnose the specific condition of or stabilize a beneficiary. (42 C.F.R. § 438.106 and Cal. Code Regs. tit 9, § 1810.365(c).)
 3. Contractor shall not bill beneficiaries, for covered services, any amount greater than would be owed if the Contractor provided the services directly. (42 C.F.R. § 483.106(c).)
- G.** DHCS assumes no responsibility for the payment to Contractor for services used in the performance of this Agreement. County accepts sole responsibility for the payment of Contractors in the performance of this Agreement per the terms of this Agreement.

II. MAXIMUM CONTRACT AMOUNT.

The Maximum Contract Amount of this Agreement shall not exceed **\$7,328,690** in Mental Health funding, inclusive of \$3,664,345 for FY 24-25 and \$3,664,345 for FY 25-26, and shall consist of County, State, and/or Federal funds as shown in Exhibit B-1-MHS and subject to the provisions in Section I (Payment for Services). Notwithstanding any other provision of this Agreement, in no event shall County pay Contractor more than this Maximum Contract Amount for Contractor's performance hereunder without a properly executed amendment.

III. OPERATING BUDGET AND FEE FOR SERVICE RATES

A. Fee-For-Service Rates.

For Medi-Cal services, County agrees to reimburse Contractor at a Negotiated Fee-For-Service rate (the “Negotiated Fee”) during the term of this Agreement as specified in Exhibit B-3 MHS. Specialty mental health services provided to Non-Medi-Cal clients will be paid at the same rates. Reimbursement or payment under this provision is subject to the maximum amount specified in the Exhibit B-1 MHS for Medi-Cal and Non-Medi-Cal specialty mental health services.

Notwithstanding the foregoing, and at any time during the term of the Agreement, the Director of the Department of Behavioral Wellness or designee, in his or her sole discretion, may incorporate new codes and make fee-for-service rate changes to Exhibit B-3 MHS issued by the California Department of Health Care Services and may make rate changes to Exhibit B-3 MHS for County’s operational reasons. Additionally, the Behavioral Wellness Director or designee, in his or her sole discretion, may make rate changes to or otherwise update Exhibit B-3 MHS for multi-year contracts annually. Any changes to Exhibit B-3 MHS shall not alter the Maximum Contract Amount and shall not require an amendment to this Agreement but shall be in writing.

B. Operating Budget. For Non Medi-Cal Programs, Contractor shall provide County with an Operating Budget on a format acceptable to, or provided by County, based on costs of net of revenues as described in this Exhibit B-MHS, Section VI (Accounting for Revenues). The approved Operating Budget shall be attached to this Agreement as Exhibit B-2. County may disallow any expenses in excess of the adopted operating budget. Contractor shall request, in advance, approval from County for any budgetary changes. Indirect costs are limited to 15% of direct costs for each program and must be allocated in accordance with a cost allocation plan that adheres with OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

IV. CLIENT FLEXIBLE SUPPORT FUNDS.

For Medi-Cal FSP programs, Contractor will receive a funding allocation to provide clients with flexible support for costs including but not limited to housing, items necessary for daily living, and therapeutical support. Contractor shall abide by requirements in Behavioral Wellness Policy and Procedure #19.007 for client flexible support costs. Contractor shall maintain documentation to support client flexible support costs and submit financial statements to County monthly in accordance with Exhibit B MHS, Section VIII.B (Monthly Financial Statements) below.

V. QUALITY ASSURANCE (QA) / UTILIZATION MANAGEMENT (UM) INCENTIVE PAYMENT.

A. County will provide Contractor with an incentive payment at fiscal year-end should the following deliverables be achieved. The incentive payment will be equal to 4% of total approved Medi-Cal claims (2% Quality Assurance and 2% Utilization Management) and will be payable upon proof of completion of deliverables and conclusion of regular Medi-Cal claiming for the fiscal period. The incentive payment will not be applied to unclaimed

and/or denied services. Documentation must be maintained to substantiate completion of the deliverables and submitted via Smartsheet.

1. QA deliverables include:

- i. Contractor shall hire or designate existing staff to implement quality assurance type activities. The designated QA staff member shall be communicated to the County.
- ii. Contractor shall provide a monthly report to QCM consisting of documentation reviews performed, associated findings, and corrective action. The QA reports shall be received by County no later than 30 calendar days following the end of the month being reported. By the end of the fiscal year, all 12 monthly QA reports must be submitted to the County to receive the incentive payment.
- iii. Contractor QA staff or their designee shall attend at least 4 out of 6 bi-monthly County Quality Improvement Committee (QIC) meetings each fiscal year. Attendance to be monitored via sign-in sheets.

2. UM deliverables include:

- i. Contractor shall hire or utilize existing staff to implement utilization management type activities. The designated UM staff member shall be communicated to the County.
- ii. For practitioner-based programs, Contractor shall implement procedures to monitor productivity including the submission of monthly reports on productivity for each direct service staff member (direct billed hours to total paid hours). Total paid hours is equal to 2,080 per full time equivalent (FTE) position and should be adjusted for part time employment. Reports will be due within 30 calendar days following the end of the reporting month.

3. The Behavioral Wellness Director or designee may reallocate between the contract allocations on the Exhibit B-1 MHS at his/her discretion to increase or decrease the incentive payment. Reallocation of the contract allocations does not alter the Maximum Contract Amount and does not require an amendment to this Agreement.

VI. ACCOUNTING FOR REVENUES.

- A. **Accounting for Revenues.** Contractor shall comply with all County, State, and Federal requirements and procedures, including, but not limited to, those described in California Welfare and Institutions Code (WIC) Sections 5709, 5710 and 14710, relating to: (1) the determination and collection of patient/client fees for services hereunder based on Uniform Method for Determining Ability to Pay (UMDAP), (2) the eligibility of patients/clients for Medi-Cal, Medicare, private insurance, or other third party revenue, and (3) the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. For Non-Medi-Cal programs, grants, and any other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor shall also be accounted for in the Operating Budget.

B. Internal Procedures. Contractor shall maintain internal financial controls which adequately ensure proper billing and collection procedures. Contractor shall pursue payment from all potential sources in sequential order, with Medi-Cal as payor of last resort. All fees paid by or on behalf of patients/clients receiving services under this Agreement shall be utilized by Contractor only for the delivery of service units specified in the Exhibit A(s) to this Agreement.

VII. REALLOCATION OF PROGRAM FUNDING.

Funding is limited by program to the amount specified in Exhibit B-1-MHS. Contractor cannot move funding between programs without explicit approval by Behavioral Wellness Director or designee. Contractor shall make written application to Behavioral Wellness Director or designee, in advance and no later than April 1 of each Fiscal Year, to reallocate funds as outlined in Exhibit B-1-MHS between programs, for the purpose of meeting specific program needs or for providing continuity of care to its clients. Contractor's application shall include a narrative specifying the purpose of the request, the amount of said funds to be reallocated, and the sustaining impact of the reallocation as may be applicable to future years. The Behavioral Wellness Director's or designee decision of whether to allow the reallocation of funds shall be in writing to Contractor prior to implementation by Contractor. The Behavioral Wellness Director or designee also reserves the right to reallocate between programs in the year-end settlement and will notify Contractor of any reallocation during the settlement process.

VIII. BILLING AND PAYMENT PROCEDURES AND LIMITATIONS.

A. Submission of Claims and Invoices.

1. **Submission of Claims for Medi-Cal Services.** Services are to be entered into SmartCare based on timeframes prescribed in the Behavioral Wellness Clinical Documentation Manual. Late service data and claims may only be submitted in accordance with State and federal regulations. Behavioral Wellness shall provide to Contractor a report that: i) summarizes the Medi-Cal services approved to be claimed for the month, multiplied by the negotiated fee in effect at the time of service, ii) states the amount owed by County, and iii) includes the Agreement number.

Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.

If any services in the monthly Medi-Cal claim for the Contractor are denied by DHCS then these will be deducted from the subsequent monthly claim at the same value for which they were originally claimed.

2. **Submission of Claims for Medicare Services**

- i. **Provider Enrollment.** Contractors that provide service to clients that are eligible for both Medicare and Medi-Cal (AKA Medi-Medi) shall have Medicare eligible practitioner types enrolled in the Medicare program. The

following are Medicare eligible licensed practitioners that provide service to County programs in this Agreement and must be enrolled in the Medicare program: Marriage and Family Therapist, Clinical Psychologist, Clinical Social Worker, Professional Clinical Counselor, Nurse Practitioner, Physician Assistant, and Medical Doctor. If any of the Contractor's eligible licensed practitioners have submitted a Medicare "Opt-Out" affidavit and are therefore opted-out of Medicare, these practitioners' services cannot be billed to Medicare and are not billable to Medi-Cal. *Opted-Out Medicare eligible practitioners are therefore ineligible service providers for Medi-Medi clients.*

- ii. **Medi-Medi.** The County won't assume financial responsibility or reimburse for services provided to Medi-Medi clients by ineligible service providers due to opting out of Medicare.
- iii. **Client Medicare Eligibility.** Contractor is responsible for identifying Medicare as a payor in the SmartCare EHR system. County only assumes financial responsibility for clients that are dual eligible for Medicare and Medi-Cal. Services provided to clients who have only Medicare, but not Medi-Cal are not eligible for reimbursement under this Agreement.
- iv. **Claims Adjudication.** For Medi-Medi client services, Contractor has the option to claim services to the Medicare fiscal intermediary directly or have the County process dual eligible claims on their behalf. If Contractor chooses to bill Medicare directly, Contractor is solely responsible to ensure proper Medicare registration and maintenance of such. Contractor shall notify Behavioral Wellness Fiscal within 30 days of the beginning of the contract term whether they want County to bill Medicare on their behalf. If the Contractor opts to bill the Medicare fiscal intermediary directly then they shall provide the County with Medicare claim(s) adjudication data which would allow the County to submit a crossover claim to the State Department of Health Care Services for the Medi-Cal adjudication and payment. If Contractor opts to bill Medicare directly then the claims adjudication data would be due monthly to Behavioral Wellness within 15 days following the close of each month.
- v. **Submission of Claims for Medicare Services.** For Medi-Medi client services, services are to be entered into the SmartCare EHR system based on timeframes prescribed in the Behavioral Wellness Clinical Documentation Manual. Late service data and claims may only be submitted in accordance with State and federal regulations. Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.
- vi. **Claims Processing and Payment.**
 Services provided to clients who are eligible for Medicare and Medi-Cal (Medi-Medi) will be claimed based on the guidelines outlined in the DHCS Billing Manual and Centers for Medicare & Medicaid Services (CMS) guidance. Contractor will be reimbursed for dual eligible clients at the Medi-Cal fee-for-service rates in the Exhibit B-3 consistent with the payment terms for Medi-Cal

approved services. The Medicare payment received by the County will be reported to DHCS within the subsequent Medi-Cal claim, thereby reducing the charge to Medi-Cal by the paid Medicare amount. County will issue a single payment for the service, at the fee-for-service rate in Exhibit B-3. Alternatively, if Contractor bills Medicare directly, then the Medicare payment received by the contractor must be offset from the fee-for-service rates paid by the County or remitted to the County. Services for clients with Medicare coverage only (not Medi-Medi) shall not be entered into SmartCare EHR, nor processed or paid by County. The fee schedule in Exhibit B-3 is therefore not applicable for Medicare only clients. The Contractor is therefore solely responsible to follow all CMS regulations and provisions that govern Medicare beneficiary deductibles, co-pays and payments for services.

3. **Submission of Claims for Non Medi-Cal Programs.** Contractor shall submit a written invoice within 15 calendar days of the end of the month in which non-Medi-Cal services are delivered that: i) depicts the actual costs of providing the services less any applicable revenues, ii) states the amount owed by County, and iii) includes the Agreement number and signature of Contractor's authorized representative. Invoices shall be delivered to the designated representative or address described in Section VIII.A.1 (Submission of Claims for Medi-Cal Services) of this Exhibit B MHS. Actual cost is the actual amount paid or incurred, including direct labor and costs supported by financial statements, time records, invoices, and receipts.
4. **Timing of Payment.** The Program Contract Maximums specified in Exhibit B-1-MHS and this Exhibit B MHS are intended to cover services during the entire term of the Agreement, unless otherwise specified in the Exhibit A(s) to this Agreement (such as time-limited or services tied to the school year). Under no circumstances shall Contractor cease services prior to June 30 due to an accelerated draw down of funds earlier in the Fiscal Year. Failure to provide services during the entire term of the Agreement may be considered a breach of contract and subject to the Termination provisions specified in the Agreement.

The Behavioral Wellness Director or designee shall review the monthly claim(s) and invoices to confirm accuracy of the data submitted. County shall make payment for approved Medi-Cal claims within thirty (30) calendar days of the generation of said claim(s) by County subject to the contractual limitations set forth in this Agreement and all exhibits hereto. Non-Medi-Cal programs will be paid within 30 days of the receipt of a complete invoice and all requested supporting documentation.

- B. **Monthly Financial Statements.** For Non-Medi-Cal programs and costs, within 15 calendar days of the end of the month in which services are delivered, Contractor shall submit monthly financial statements reflecting the previous month's and cumulative year to date direct and indirect costs and other applicable revenues for Contractor's programs described in the Exhibit A(s).
- C. **Withholding of Payment for Non-submission of Service Data and Other Information.** If any required service data, invoice, financial statement or report is not submitted by Contractor to County within the time limits described in this Agreement or if any such information is incomplete, incorrect, or is not completed in accordance with

the requirements of this Agreement, then payment shall be withheld until County is in receipt of complete and correct data and such data has been reviewed and approved by Behavioral Wellness Director or designee. Behavioral Wellness Director or designee shall review such submitted service data within sixty (60) calendar days of receipt.

D. Withholding of Payment for Unsatisfactory Clinical Documentation. Behavioral Wellness Director or designee shall have the option to deny payment for services when documentation of clinical services does not meet minimum Federal, State and County written standards. County may also deny payment for services that are provided without a current client service plan when applicable authorities require a plan to be in place.

E. Claims Submission Restrictions.

1. **12-Month Billing Limit.** Unless otherwise determined by State or federal regulations (e.g. Medi-Medi cross-over), all original (or initial) claims for eligible individual persons under this Agreement must be received by County within 12 months from the month of service to avoid denial for late billing.
2. **No Payment for Services Provided Following Expiration/ Termination of Agreement.** Contractor shall have no claim against County for payment of any funds or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

F. Claims Certification and Program Integrity. Contractor shall certify that all services entered by Contractor into County's EHR for any payor sources covered by this Agreement are true and accurate to the best of Contractor's knowledge.

G. Overpayments. If the Contractor discovers an overpayment, Contractor must notify the County in writing of the reason for the overpayment. Any overpayments of contractual amounts must be returned via direct payment within 30 calendar days to the County after the date on which the overpayment was identified. County may withhold amounts from future payments due to Contractor under this Agreement or any subsequent agreement if Contractor fails to make direct payment within the required timeframe.

IX. REPORTS.

A. Audited Financial Reports. Contractor is required to obtain an annual financial statement audit and submit to County a copy of their audited annual financial statement, including management comments. This report shall be submitted within thirty (30) days after the report is received by Contractor.

B. Single Audit Report. If Contractor is required to perform a single audit and/or program specific audit, per the requirements of OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards, Contractor shall submit a copy of such single audit to County within thirty (30) days of receipt.

X. AUDITS AND AUDIT APPEALS.

- A. Audit by Responsible Auditing Party.** At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with State and Federal law including but not limited to WIC Section 14170 et seq., authorized representatives from the County, State or Federal governments (Responsible Auditing Party) may conduct an audit or site review of Contractor regarding the mental health services/activities provided under this Agreement.
- B. Settlement.** Settlement of the audit findings will be conducted according to the Responsible Auditing Party's procedures in place. In the case of a State Medi-Cal audit, the State and County will perform a post-audit Medi-Cal settlement that is based on State audit findings. Such settlement will take place when the State initiates its settlement action which customarily is after the issuance of the audit report by the State and before the State's audit appeal process. However, if the Responsible Auditing Party stays its collection of any amounts due or payable because of the audit findings, County will also stay its settlement of the same amounts due or payable until the Responsible Auditing Party initiates its settlement action with County. If an audit adjustment is appealed then the County may, at its own discretion, notify Contractor but stay collection of amounts due until resolution of the State administrative appeals process.
- C. Invoice for Amounts Due.** County shall issue an invoice to Contractor for any amount due to the County after the Responsible Auditing Party issues an audit report. The amount on the County invoice is due by Contractor to County thirty (30) calendar days from the date of the invoice.
- D. Appeal.** Contractor may appeal any such audit findings in accordance with the audit appeal process established by the Responsible Auditing Party performing the audit.

XI. CONTINGENCY PAYMENT PROVISIONS

A. Contingency Invoicing Plan (CIP)

If the SmartCare EHR system causes delays or challenges to the extent that services cannot be claimed (and paid to the provider) within 45 days of the service month-end, the County will activate the Contingency Invoicing Plan (CIP) outlined below:

1. **Notification and Submission.** Within 4 calendar days of determining that claiming will be delayed beyond the standard claiming window, the County will initiate the CIP and request the Contractor to electronically submit financial statements to FinanceCBO@sbcbswell.org.
2. **Review and Payment.** Upon receiving the financial statements, the County will review them. If found satisfactory, payment to the Contractor will be issued within 15 days. The payment will be calculated based on the lower of actual costs less applicable revenues or 1/12th of the Maximum Contract Allocation for Medi-Cal Patient Revenue on a cumulative year-to-date basis. If payment is based on actual costs, it will be further limited by the Medi-Cal penetration rate in the contract.

3. **Resolution and Adjustment.** If the EHR delays or challenges are resolved during the invoice processing period, payment will be based on the services claimed in the system instead of the CIP protocol. Any payments made under the CIP will be reconciled back to actual claimed services once the system claiming functionality is fully validated, and claiming issues are resolved.
4. **Monthly Determination.** The decision on whether to use the CIP will be made by the Director of the Department of Behavioral Wellness or designee in his or her sole discretion on a monthly basis, considering the prevailing circumstances.

(1) Adult Residential Non-Medi-Cal service allocation is intended to cover services provided to Non-Medi-Cal client services at the same Fee-For-Service rate as noted for Medi-Cal clients.

(2) Board and care allocation is intended to cover the costs of two indigent clients at the SSI rate which is currently \$1,398 per month. Rate may be adjusted in January of each year to match State/Federal schedules. Contractor shall confirm client indigent status with County prior to placement in an indigent bed for costs to be reimbursable. Director or designee has the right to reallocate flexible funds between adult residential facilities and/or reallocate additional funds from other funding sources, subject to the contract maximum, should board and care costs exceed the amount estimated in the Exhibit B-1.

(3) Quality assurance incentive payment requires the implementation of specific deliverables. If deliverables are not met then contractor is not eligible for incentive payment. Refer to Exhibit B of the agreement for required deliverables.

(4) The Director or designee may reallocate between funding sources at his/her discretion during the term of the contract, including to utilize and maximize any additional funding or FFP provided by local, State, or Federal law, regulation, policy, procedure, or program. Reallocation of funding sources does not alter the Maximum Contract Amount and does not require an amendment to the contract.

(5) Source of Medi-Cal match is State and Local Funds including but not limited to Realignment, MHSA, General Fund, Grants, Other Departmental Funds and SB 163.

(6) Contractor may charge County at the adult residential fee-for-service rate for any bed holds requested for clients that are hospitalized. Bed holds for more than three days require pre-authorization from QCM.

5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR’S obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:

- i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
- ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
- iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.

11. Special Risks or Circumstances – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
