To Whom it May Concern at the County Board of Supervisors:

I am a resident of Mission Canyon, my kids play at Rocky Nook Park frequently. Our family is in favor of designating Rocky Nook Park as a county historical landmark. We hope you will support this as well.

Sincerely,
Adrienne and Kyle Self

Board of Supervisors:

I would like to express my support of the designation of Rocky Nook Park as a County Historic Landmark. I was dismayed to hear that the park was in jeopardy and strongly feel we must preserve the park's historic and scenic significance. I live on the Riviera and pass through this area daily. Rocky Nook is part of the Mission Complex and in my opinion any modification would have a negative impact on the entire area. The Mission and its surroundings, including the park, is the "town square" of Santa Barbara. Let's not do anything that might jeopardize the heart of our community; instead let's preserve it by granting the park a Historic Landmark Designation.

Thank you for your consideration,

Jane Morrison

Dear Board of Supervisor Members:

Please designate Rocky Nook Park an historic landmark. It is such a vital, beautiful LONG-TIME part of Santa Barbara. It is one of our loveliest natural areas, home to wildlife and native plants, gathering place for family and friend celebrations, and really, an extension of our historic Mission complex. Please honor it and guarantee it's preservation by making it an historic landmark. We can't have too many of those in our beautiful, history-rich county. It's the right thing to do.

Respectfully,
Susanne Wood

Rocky Nook park is the oldest oldest park on the south coast of Santa Barbara County, the boulders have kept the creek and bridge stable for many years. The bridge is a historic landmark and should be kept as it is. Ive walked the bridge for the past 60 years and am in awe of its beauty. The community raised money to purchase Rocky Nook and chose to donate it to the county.

Please consider leaving the area as is.

Thank you

Dear members of the committee,

I have been a Santa Barbara resident for 5 years, and a few of the many things I enjoy here are the trails and parks, and how beautifully preserved they are, thanks to county workers and volunteers.

I just learned that Rocky Nook Park was threatened by a project, and I would like to express my disagreement in this project. At a time when we need to preserve nature more than anything else, we need to collectively take care of this gift of the land.

Thank you very much for considering all the opposing voices.

Have a great day,

Anne-Sophie

Dear Board of Supervisors,

I am writing in support of designating Rocky Nook Park a County Historic Landmark.

As a long-time, thirty year, resident of Goleta and before that a resident of Santa Barbara, I have thoroughly enjoyed the Rocky Nook Park.

Respectfully yours,
