WHEREAS, the Authority is authorized to issue Measure A funds to Sponsor for eligible projects; and

WHEREAS, the Authority and Sponsor desire to have this Agreement serve as the Agreement for the Authority to provide Measure A funding to Sponsor for eligible projects proposed by Sponsor, provided that such funding has been authorized by the Board of the Authority.

NOW, THEREFORE, in consideration of the mutual promises and undertakings herein made and the mutual benefits to be derived therefrom, the parties hereto represent, covenant, and agree as follows:

SECTION I

Covenants of Sponsor

The Sponsor shall:

- 1.1 **Project Description.** The Project description, scope of work, delivery schedule, estimate of cost by activity, anticipated amount and type of funds that will supplement Measure A funds, and the anticipated timing for release of Measure A funds are specified in Exhibits A through C attached to this Agreement and incorporated herein by reference. Sponsor shall be solely responsible for implementing and carrying out the Project.
- 1.2 **Change In Project Description.** Any change in the Project Description shall not be eligible for funding by Authority unless approved in writing by the Authority. Any portion of the Project implemented by Sponsor prior to Authority's written approval shall not be eligible for

reimbursement unless subsequently approved by the Authority in writing, and in no event will any change in scope result in the Authority reimbursing more than the amount awarded for the Project.

- 1.3 Eligible Reimbursement Costs. Eligible project costs are specified in Exhibits or as may be approved from time to time by the Authority pursuant to Section 1.2. In no event shall expenses incurred prior to the execution of this Agreement be considered eligible reimbursement costs.
- 1.4 Measure A Percentage Share Defined. Measure A funding is being provided by Authority to Sponsor for the Projects in Exhibits A through C. The percentage share of Measure A funding shall be the Measure A Percentage shown in a project's respective Exhibit, and shall not exceed the total Measure A amount shown in the same Exhibit. Each invoice submitted by Sponsor shall be reimbursed by Authority at this percentage up to the not to exceed total Measure A amount shown in the Exhibit. Sponsor matching funds shall be used to pay for the remainder of Project costs.
- 1.5 Invoices and Progress Reports. Sponsor shall submit semi-annual progress reports and invoices for work completed consistent with the Program guidelines as adopted by the SBCAG Board on February 20, 2025. These documents shall include the following specified information:
 - 1.5.a Invoices. The Sponsor shall provide the Authority with one (1) copy of all invoices submitted to Sponsor by every contractor, subcontractor, consultant, or subconsultant as appropriate and any other backup documentation required to support direct and indirect costs for which a Sponsor submits an invoice.
 - 1.5.b Progress Reports. Progress reports shall include a brief description of the status of the Project including the work completed to date. This summary may be included on the invoices submitted to the Authority or be attached to those invoices.
- 1.6 Use of Funds. The Sponsor shall use existing Measure A funds consistent with the project description in Exhibits to this Agreement or as approved by the Authority pursuant to Section 1.2.
- 1.7 Submittal of Documents. The Sponsor shall provide copies to the Authority of all executed contracts that relate to the Project scope as described in Exhibits to this Agreement and Section 1.3 or approved by the Authority pursuant to Section 1.2. The Sponsor shall retain records pertaining to the Project for a five (5) year period following completion of the Project.
- 1.8 Completion of Project. Sponsor shall be responsible for meeting the timely use of funds deadlines in corresponding Exhibits. Unused funds programmed to the Project will be forfeited and be made available by the Authority for programming to other projects in a special or subsequent funding cycle. Sponsor shall provide management of any consultant and contractor activities, including responsibility for schedule, timely use of funds, budget and oversight of the services, consistent with the scope of work. This provision shall apply

in all instances, including situations where a change in scope has been approved by the Authority pursuant to Section 1.2.

1.8.a Project Completion Report. Within 6 months of Project completion, Sponsor shall provide a project completion report to Authority that includes final cost, revenues, and schedule of completed and future activities. For construction projects, pictures of the completed project must accompany the report. Whenever possible, pictures of the "before" project conditions should also be submitted. This Report shall accompany the final invoice for payment from Sponsor to provide notice of Agreement account closing by Authority. The Report shall meet all requirements set forth in the Authority's Program Guidelines.

1.8.b Timely Use of Funds Extension. In accordance with Authority's Cycle 6 Program Guidelines Timely Use of Funds policy, Sponsor may request one extension of up to 12 months for plans and studies, up to 6 months for preliminary engineering, environmental, and design projects, and up to 18 months for construction projects. Extension requests will be presented to the South Coast Subregional Committee which will make recommendations to the SBCAG Board.

Authority may extend the deadline for timely use of funds no more than one time and only if it finds that an unforeseen and extraordinary circumstance beyond the control of the Sponsor has occurred that justifies the extension. The extension will not exceed the period of delay directly attributed to the extraordinary circumstances and will in no event be for more than the duration described in the above paragraph and in Authority's Cycle 6 Program Guidelines.

1.9 Public Outreach. The Sponsor is responsible for development and administration of a public outreach effort to ensure public awareness and involvement in the Project development and delivery process. The Sponsor shall provide a copy of the public outreach plan and all materials documenting the public outreach activities, including public notices, press releases, flyers, etc. to the Authority. The public outreach plan must accompany the first invoice for payment from Sponsor. The materials documenting the public outreach activities must accompany the final invoice for payment from Sponsor.

1.10 Provision of Signs. Sponsor shall install signs consistent with the Authority's Project Signs Guidelines and Specifications as adopted by the SBCAG Board on August 18, 2011, or as appropriate.

1.11 Cost Savings and Excess Costs

1.11.a Cost Savings. After the Project has been accepted by the Sponsor and Authority as complete, any positive difference between the cost, as listed in Exhibits to this Agreement or approved by the Authority pursuant to Section 1.2, and the total amount invoiced to the Authority shall revert to the Measure A program for re-programming by the Authority on other eligible projects.

- 1.11.b Excess Costs. In the event the actual Project cost exceeds the estimate shown in Exhibits to this Agreement, this amount will be considered an excess cost. Sponsor is solely responsible for all costs over the amount identified in Section 1.3 or as approved pursuant to Section 1.2.
- 1.11.c Reconciliation of Excess Costs. Excess project costs to complete a project are not eligible for reimbursement unless approved pursuant to Section 1.2. The amount of Measure A funds as identified in Section 1.3 are the maximum funds available for reimbursement to the Sponsor and cannot be increased unless agreed to by the Authority pursuant to Section 1.2. The Sponsor shall request an amendment if needed for this purpose in writing to the Authority. Such amended Agreement shall be effective only if signed and approved by the duly authorized representatives of both the Authority and Sponsor.
- 1.12 Errors and Omissions. The Sponsor shall diligently monitor and manage all aspects of the Project and shall aggressively pursue any and all remedies, including full restitution and damages from any consultant, contractor or sub-contractor and their insureds and sureties suspected of any acts, errors, or omissions committed during business activities that economically or legally damage the project.
- 1.13 Division of Labor and Materials. Sponsor agrees to furnish or cause to be furnished all labor, materials, equipment, required licenses, permits, fees, and other appropriate legal authorization from all applicable federal, state, and local jurisdictions necessary to perform and complete, per schedule, in a professional manner, the obligations described herein.
- 1.14 Implementation of Project. Sponsor may implement projects herein through private organizations and nonprofit entities as designated in Exhibits A through C

SECTION II

Covenants of Authority

The Authority shall:

- 2.1 Reimbursement Payments. The Authority shall make reimbursement payments to the Sponsor or implementing party designated pursuant to Paragraph 1.14 for eligible project costs within 45 days of receipt of an invoice as specified in the Exhibits to this Agreement, except where payment is subject to provisions of Paragraphs 2.1.a through 2.1.b.4.
- 2.1.a Ineligible Costs. The Authority reserves the right to adjust current or future reimbursement payments to Sponsor if an invoice includes ineligible costs.
- 2.1.b Suspension of Reimbursement. If the Authority determines that any costs in an invoice are not allowable, or lack supporting progress reports, the Authority shall return the invoice to the Sponsor with an invoice dispute notice outlining the reason for the return and the proposed remedy, if one exists, which would make the invoice acceptable for payment. The Sponsor may re-submit the invoice for payment after reviewing the invoice dispute notice and making any necessary corrections. The

Sponsor may also immediately submit a new invoice representing only the amounts which are not in dispute, while setting aside the disputed amounts for review in accordance with the provisions set forth in this Section 2.1.

- 2.1.b.1 Meeting. Once a dispute has occurred, the Authority shall arrange a meeting between Authority and Sponsor staff to discuss and attempt to resolve the dispute.
 - 2.1.b.2 Subregional Committee. If an agreement cannot be reached at the meeting, then the Sponsor or the Authority shall have the option to take the dispute to the Authority's South Coast Subregional Committee, as appropriate. In this case reimbursement for the disputed cost item(s) will be delayed until a resolution of the matter is reached.
 - 2.1.b.3 Authority's Board Decision. If the Sponsor or the Authority disagrees with the resolution by the Subregional Committee then the dispute shall be submitted to the Authority's Board for resolution. If the Board determines that the disputed cost item(s) is ineligible, the Authority shall not provide reimbursement payment to the Sponsor for the disputed item(s). If the Board determines that the disputed cost item(s) is eligible, then the Authority shall provide reimbursement payment to the Sponsor for the disputed cost.
 - 2.1.b.4 Reservation of Rights. By utilizing the above procedures, the Sponsor does not surrender any rights to pursue available legal remedies if the Sponsor disagrees with the Board decision.
- 2.2 Authority's Payment shall not constitute Waiver. Authority's failure to discover or object to any ineligible project cost or billing prior to payment shall not constitute a waiver of Authority's right to require Sponsor to correct such work or billing or seek any other legal remedy.
 - 2.3 Right to Conduct Audit; Record Keeping. The Authority shall have the right to conduct an audit of all Sponsors' records pertaining to the Agreement at any time during the course of construction and up to a five (5) year period after completion of the Agreement.
 - 2.4 Records. Sponsor shall keep and provide to Authority or its agents, upon request, accurate financial records (including invoices and published price lists on which this Agreement was based) necessary to enable Authority to review Sponsor's performance of this Agreement. These records shall demonstrate the funding has been used as described in the Project Description. Sponsor shall maintain all such records for at least five years after completion of the project.

Sponsor's indemnification obligation applies to SBCAG's active as well as passive negligence but does not apply to SBCAG's sole negligence or willful misconduct.
- 3.4 Notices. Any notice which may be required under this Agreement shall be in writing and shall be given by personal service, or by certified or registered mail, return receipt requested, to the addresses set forth below:

AUTHORITY Santa Barbara County Association of Governments 260 North San Antonio Road, Suite B Santa Barbara, CA 93110	SPONSOR Santa Barbara County Public Works Transportation Division 123 E. Anapamu Street Santa Barbara, CA 93101

If for any reason the Authority's right or ability to collect or expend such sales tax proceeds is terminated or suspended in whole or part so that it materially affects the Authority's ability to fund the Project, the Authority shall promptly notify Sponsor, and the parties shall consult on a course of action. If, after twenty-five (25) working days, a course of action is not agreed upon by the parties, this Agreement shall be deemed terminated. Maintenance of records, right to audit, and indemnification shall survive. Any future obligation to fund this project or any other project or projects of Sponsor, not already specifically covered by separate Agreement, shall arise only upon execution of a new Agreement.

Nothing in this Agreement, express or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any third party, nor is anything in this Agreement intended to relieve or discharge the obligation or liability of any third party to any party to this Agreement, nor shall any provision of this Agreement give any third party any right of subrogation or action over or against any party to this Agreement.
- 3.21 Signator's Warranty. Each party warrants to each other that he or she is fully authorized and competent to enter into this Agreement in the capacity indicated by his or her signature and agrees to be bound by this Agreement as of the day and year first mentioned above upon the execution of this Agreement by each other party.
