Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

As a current school superintendent in Guadalupe and lifelong county resident, I have much interest in improving the outcomes for our youngest. For the last 13 years, I have worked in SB County and have leveraged all of my experience, knowledge and professional network in attempting to improve the academic and social outcomes of some of the most disadvantaged students in the county. Working as principal of McKinley Elementary in Santa Barbara USD and then as assistant superintendent of elementary education in the same district, I vigorously pursued multiple manners to improve the quality and capacity of our local early education opportunities. Since beginning my tenure as superintendent in Guadalupe, I have sought the support and guidance of the First 5 Commission. I would greatly appreciate the opportunity to serve on their commission and give back what this great organization has provided me and many others for so long.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

As mentioned above, I have a lot of qualifications in the field of education. Mostly in TK-8th. However, I have been involved in numerous initiatives to improve the lives of our youngest and most vulnerable residents. Having been born in Santa Barbara and raised in Carpinteria, I bring a unique experience and perspective to this agency that I hope will facilitate a great confluence as the 0-3 begins to merge with the existing TK-12 system. I have an AA from SBCC, BA (History) from UCLA, M.Ed. (Education) from LaVerne University, MA (Educational Leadership) from Azusa Pacific and a Doctorate (Ed.D.) from Concordia University, Chicago. I have been in public education since 1996.
