TO: Board of Directors
Santa Barbara County Flood Control and Water Conservation District

FROM: Phillip M. Demery
Public Works Director

STAFF CONTACT: Thomas Fayram, Deputy Public Works Director, Ext. 3436
Jon Frye, Engineering Manager, Ext. 3444

SUBJECT: Blosser Channel Improvements Project (SM9901), Fifth Supervisorial District

Recommendation(s):

That the Board of Directors:

- A. Award the construction contract in the amount of \$824,130.00 to the lowest responsible bidder J.P. Donovan Construction Inc., a vendor located at 1415 Chaffee Drive, #10, Titusville, FL subject to the provision of documents and certifications, as set forth in the plans and specification applicable to the project and as required by law;
- B. Authorize the Chair to execute the construction contract upon return of the contractor's executed contract documents, and the review and approval of the County Counsel, Auditor-Controller, and Risk Manager or their authorized representatives; and
- C. Approve a contingency fund in the amount of \$53,706.50 for the above subject project.

Alignment with Board Strategic Plan:

The recommendations are primarily aligned with Goal No. 2. A Safe and Healthy Community in Which to Live, Work, and Visit.

Executive Summary and Discussion:

This project is located in the City of Santa Maria from Alvin Avenue to approximately 500 feet northerly of Rancho Verde Rd. The project consists of rehabilitating the existing degraded asphalt channel lining. Completing this project will repair the channel and also reduce ongoing maintenance costs associated with the existing channel.

On March 12, 2001, the District received 12 bids for the Blosser Channel Improvement Project. J.P. Donovan Construction Inc. submitted the apparent lowest bid in the amount of \$824,130.00.

Mandates and Service Levels:

Direction by the Board will not change programs or service levels.

Fiscal and Facilities Impacts:

Construction of this project will begin this fiscal year and continue into next fiscal year. The construction cost for the project is currently in both this fiscal year's budget and next fiscal year's budget (Dept: 054, Fund: 2560, Acct: 8200, Program: 3005). This project is also identified in the County's Capital Improvement Plan.

Special Instructions:

Direct the Clerk of the Board to send a copy of the minute order to the Flood Control District office, attn: Christina Lopez.
