Subject: City of Goleta CREF Application

Dear Chair Wolf and Supervisor Farr,

I am the Project Manager and author of the City of Goleta's application for a CREF grant to acquire a parcel at the south end of Ellwood Beach Drive. I had fully intended to be present at the Board meeting today to make a presentation on this important acquisition. Unfortunately, I came down with the stomach flu and was unable to attend and no one else was available to take my place on such short notice.

Myself was watching the meeting from home and so wanted to immediately inform you that Goleta would very much appreciate receiving the CREF grant and fully intends to move forward with this parcel acquisition if awarded the grant.

Thank you very much to Supervisor Farr for the motion to bump up our grant amount to \$58,750.

My apologies for not being at the meeting today.

Sincerely,
Claudia Dato
