Re: Posada Santa Rita de La Purisima Resort Complex

Dear Mr. Hunter:

Thank you for your presentation to our Club regarding the proposed project mentioned above. Our members are very enthusiastic about the entire development, believing that it would contribute greatly to the area's tourism appeal. A high-quality destination resort in the Santa Rita Hills area would meld wonderfully with the already-established and popular golf course. The wine industry could definitely use a local resort that would allow for high-end dining and conference capabilities. Our Club believes that your project would be a perfect "fit" for these much-needed amenities.

The Lompoc Rotary Club wishes you success in your endeavor, and is ready to assist you in any way that it can.

Sincerely,
