

Memorandum

Date: August 16, 2013
To: Board of Supervisors
From: Herman Parker, Director, Community Services Department
Subject: Affordable Housing In-Lieu Fee Update
CC: Dinah Lockhart, Deputy Director, Community Services Department

The purpose of this memorandum is to notify the Board of Supervisors of the update to the County’s Inclusionary Housing Program (IHP) in-lieu fees, pursuant to the recently adopted Inclusionary Housing Ordinance No. 4855 (IHO), (formerly Policy A-2 in the 2009-2014 Housing Element), so fees are reflective of current market values.

The County’s Inclusionary Housing Program affords developers the option of satisfying the inclusionary program requirements by paying fees in lieu of providing affordable units on-site. In-lieu fees are deposited in the County’s Housing Trust Fund and used to fund the development or rehabilitation of very low- and low- income housing, special needs housing, senior housing, and to assist non-profit organizations and other governmental agencies to provide or preserve affordable housing in the County. The current fees in effect were calculated in alignment with the most recent condominium sales activity which occurred in 2012. In-lieu fees shall be reviewed and updated periodically by HCD as necessary.

Section 46A-6(b) (formerly Policy A-2 in the 2009-2014 Housing Element) specifies that the in-lieu fee for the very low and low income categories be updated based on the percent change in the median sales price of condominiums in each HMA over a 12 month period. In addition, Section 46A-6(b) specifies the in-lieu fee for the moderate and workforce income categories are updated based on the estimated cost to build a housing unit, calculated as the median sale price of condominiums in an HMA over a 12 month period less 15%, which represents developer profit.

It should be noted that HCD worked closely with Planning and Development Department to evaluate IHP policy to create the recently adopted Inclusionary Housing Ordinance.

The following table shows the updated in-lieu fees, effective July 23, 2013:
