RE: Santa Barbara County Employees' Retirement System
SBCERS 2025 Board of Retirement Elections
Completed Wednesday October 1, 2025, 10:10 a.m.

Dear Mr. Levin,

Attached please find true and correct final information concerning the Santa Barbara County Employees' Retirement System Election.

The election was conducted under the supervision of MK Elections using the Electionbuddy internet voting system and the MK Elections paper balloting system. Voters opted whether to vote by paper ballots or to receive login credentials for the internet system by email.

MK Elections sent internet voting credentials at 8:00AM on September 3, 2025, and mailed paper ballots the same day. We monitored both systems throughout the open election period. MK Elections tracked the return of undeliverable ballots and mailed replacement ballots to voters upon their request and/or the request of the organization.

MK Elections completed the ballot count at the SBCERS office in Santa Barbara, California starting at 9:30 a.m. on October 1, 2025. During the open period of the election, the ballots were returned to a post office box in Goleta and remained in the custody of the United States Post Office until the ballot pickup. Cesar Casillas of MK Elections was present and witnessed the ballot pickup at 9:00 a.m. on October 1. The scanning and counting processes were audited on real ballots to ensure that it was counting correctly. A crosscheck was performed to ensure that no voter voted on both paper and electronic systems.

Complete information about voters, undeliverables, replacement ballots sent, and other detailed information is available in the electronic files that accompany this report.

We certify that the attached results and ballot information attached are true and correct, and that they properly reflect the paper record of the election which has been sealed and left in your custody.

Yours,

A handwritten signature in black ink, appearing to be 'Cesar Casillas'.
