RE: Minor Corrections to the *2010 University of California, Santa Barbara Long Range Development Plan Mitigation Implementation and Settlement Agreement*

Attached to this memorandum is a revised *2010 University of California, Santa Barbara Long Range Development Plan Mitigation Implementation and Settlement Agreement* marked "Final Version; September 7, 2010" in the footer. The Agreement has been revised to correct the following minor errors and typographic mistakes (page numbers reference the docketed agreement):

1. Section 1.1(h), page 3: the end of the section is revised as follows "...as the Goleta Transportation ~~Impact~~ Improvement Program Fee (GTIP);"
2. Section 3.6(c), page 6: about 2/3 down replacec "of" with "or" to read "City or County"
3. Section 4.2(a), page 7: this was agreed to be changed by the negotiating team, but the change was inadvertently not included; the section is revised as follows "Each year ~~Beginning~~ on June 1..."
4. Section 4.4(d), page 12: the last sentence is revised to insert the word "until", so it reads "...threshold shall remain in effect until litigation is..."
5. Section 4.4(d)(i), page 12: the "t" was missing in "conducted" about halfway through the subsection, and has been corrected
6. Section 4.5, page 13: when referring to the General Plans, "or" has been replaced with "and" so it reads "...City's and County's General Plan..."
7. In Attachment "B", page 3: at the bottom of the page, the formatting for subsection (e)(ii) has been fixed so that it is indented correctly and the formatting for subsection (f) has been fixed so that it is a separate subsection.

Staff will be available to address these minor corrections during the hearing item today.
