1. **INDEMNIFICATION:** LICENSEE shall fully defend, indemnify, and hold COUNTY, the California State Lands Commission, and each of their officers, officials, employees, volunteers, or agents (the "Indemnitees") harmless from and against any and all liability, loss, expense (including reasonable attorneys' fees), or claims for injury or damages arising out of the negligent performance of this Agreement. LICENSEE's duty to indemnify includes the duty to settle claims or pay judgments against the Indemnitees based on damages arising out of LICENSEE's negligent operation of the swim platform. The County has the right to consent to any settlement and such consent will not unreasonably be withheld. The only limitation on this indemnity obligation is that LICENSEE has no obligation to defend the Indemnitees for damages caused by an Indemnitee's sole negligence or willful misconduct.

2. **INSURANCE:** LICENSEE shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the LICENSEE, its agents, representatives, employees, contractors or subcontractors.

A. **Minimum Scope of Insurance:** Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$5,000,000 per occurrence and \$10,000,000 in the aggregate.
2. **Automobile Liability:** Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if LICENSEE has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease. *(Not required if LICENSEE provides written verification that it has no employees)*

If the LICENSEE maintains broader coverage and/or higher limits than the higher limits maintained by the LICENSEE. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. **Other Insurance Provisions:** The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured:** COUNTY, the California State Lands Commission and each of its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy, including any umbrella or excess liability policies, with respect to liability arising out of work or operations performed by or on behalf of the LICENSEE including materials, parts, or equipment furnished in connection with such work or operations related to the swim platform. General liability coverage can be

provided in the form of an endorsement to the LICENSEE'S insurance at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 forms if later revisions used).

2. **Primary Coverage:** For any claims related to this contract, the LICENSEE'S insurance coverage shall be primary insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects the COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, or volunteers shall be excess of the LICENSEE'S insurance and shall not contribute with it.
3. **Notice of Cancellation:** Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights:** LICENSEE hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said LICENSEE may acquire against the COUNTY by virtue of the payment of any loss under such insurance. LICENSEE agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention:** Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the LICENSEE to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers:** Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage:** LICENSEE shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the LICENSEE'S obligation to provide them. The LICENSEE shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage:** In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.

9. **Subcontractors:** LICENSEE shall require and verify that all contractors and subcontractors maintain insurance meeting all the requirements stated herein, and LICENSEE shall ensure that COUNTY and the California State Lands Commission is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies:** If any of the required policies provide coverage on a claims-made basis:
- i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the LICENSEE must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. LICENSEE agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
