Hi Angelica,

I want to let you know that I am struggling to continue attending the BOS meeting and will not be speaking to item D-4.

Please submit these corrected statements to Public Comment, in addition to the ones that may have been submitted yesterday. Thank You!

Item D-2:

Please add my voice in support of letters or comments submitted by the Santa Barbara Coalition for Responsible Cannabis, Lil Clary and all other letters or speakers that support concerns that are detailed in these well-stated, comprehensive letters or expressed during Public Comment. Thank You!

Item D-4:

As always, I continue to oppose large cannabis projects that are incompatible with surrounding vineyards and neighboring residents. Folks in Tepusquet have already complained about the odors emanating from these cannabis farms or hemp fields. Our canyon literally draws the offshore breezes right up our 'skirts,' every evening. Please deny the project that will not only impact the historical Bien Nacido Vineyard but other nearby vineyards and wineries, as well.

The proposed project will also increase traffic to our very overburdened and abused substandard roadways, which are already impacted by excessive farm traffic on Betteravia, Philbric, Foxen Cyn and the Santa Maria Mesa Rd.

Thank you for taking these serious impacts into consideration.

*Respectfully Yours,*

*Renée O'Neill*
