TO AGREEMENT FOR SERVICES OF INDEPENDENT CONTRACTOR

This is an amendment (hereafter referred to as the "First Amended Contract") to the Agreement for Services of Independent Contractor, referenced as BC 17-077, by and between the County of Santa Barbara (County) and Good Samaritan Shelter, Inc. (Contractor), wherein Contractor agrees to provide and County agrees to accept the services specified herein.

Whereas, this First Amended Contract incorporates the terms and conditions set forth in the Contract approved by the County Board of Supervisors in June 2016, except as modified by this First Amended Contract.

Whereas, County anticipates that Contractor will provide, at the request of County, additional services than those agreed to in the original Agreement, and will incur expenses beyond the value of this Agreement. This amendment adds Case Management services to the Perinatal Statement of Work and VETS funding in the amount of \$6,609 to the prior agreement maximum of \$1,743,529 for a new Agreement maximum of \$1,750,138, so as to compensate Contractor for the additional services to be rendered under this Agreement through June 2017.

Now, therefore, in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

I. Delete Section 15. I. Nondiscrimination and Institutional Safeguards for Religious Providers, of Exhibit A Alcohol and Drug Program (ADP) Statement of Work and replace with the following:

Contractor shall not use funds provided through this contract for inherently religious activities, such as worship, religious instruction, or proselytization. If Contractor conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds from the Department. Contractor may not discriminate against a client or prospective client on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to actively participate in a religious practice. Contractors identifying as religious organizations shall establish a referral process to a reasonably accessible alternative program for clients who may object to the religious nature of the Contractor's program. Referrals that were made due to the religious nature of the Contractor's program shall be submitted within three (3) days to the County.
