Recommended Actions:

That the Board of Supervisors accepts for filing the Santa Barbara County State Controller Schedules for Proposed Budget for Fiscal Year 2008-09.

Summary Text:

California Government Code Sections 29062 and 29065.5 require that a copy of the proposed budget in the format prescribed by the State Controller be submitted to the Board. The Proposed Budget document contains the required State Controller schedules. The County Budget Act, as presented in Government Code Sections 29005 and 30200, outlines the State Controller forms and miscellaneous schedules necessary for conformity among California counties. This document sets forth appropriations adopted by your board for each departmental budget unit and fund for the fiscal period.

Background:

The County also prepared a separate County Performance-Based Budget document. That document is based on guidelines provided by the Government Finance Officers Association. The performance document focuses on strategic planning and outcome based measures, while this document and the Controller schedules focus on department and object-level appropriation controls.
