Summary Text:

This property was originally part of Agricultural Preserve Contract 77-AP-025 which included three parcels. The replacement contract (16AGP-00000-00018) is being requested for estate planning. As a consequence, three replacement contracts (16AGP-00000-00016, 16AGP-00000-00017, and 16AGP-00000-00018) are being processed which would replace the original contract.

The proposed Wygod Agricultural Preserve Contract (16AGP-00000-00018) would be a preserve of 48.21-acres (45.81-acres of prime land, and 2.4-acres of non-prime land) and comprised of a single parcel (APN: 137-250-068). The 48.21-acres preserve is used for a horse and cattle operation and is currently undeveloped. The project is located approximately 1 mile northwest of the intersection of Highway 101 and Highway 246, in the Buellton area, Third Supervisorial District (Attachment 4).

The parcel is currently zoned AG-I-40 under the Land Use and Development Code. On October 7, 2016, the Agricultural Preserve Advisory Committee reviewed 16AGP-00000-00018 and determined that this replacement of an agricultural preserve contract is consistent with the Uniform Rules.

Background:

Government Code §51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use. The County of Santa Barbara has adopted such a program, which is codified under the Uniform Rules for Agricultural Preserves and Farmland Security Zones. Both the County's Uniform Rules and the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

Fiscal and Facilities Impacts:

Budgeted: Yes

The costs to process the project were borne by the applicant through the payment of processing fees. The total estimated cost to process this agricultural preserve contract is approximately \$1,923.00, and is budgeted in the Permitting Budget Program of the Planning and Development Department, on page D-289 of the 2016-17 FY budget.
