Subject: Thank-you for the Goleta Beach 2.0 Project!

Thank-you for improving the management of Goleta Beach in eco-friendly ways, including the public's welfare as well as the Coastal Commission.

America wouldn't be Amercia if not for it's beaches, beautiful coastlines, wildlife, ecosystems & being able to enjoy all of it's majestic with respect and sustainability.

Thank you for the opportunity to comment on the Goleta Beach 2.0 project.

Peace & gratitude,
Dove
