Pursuant to Resolution No. 95-462, County Counsel conducted a facilitation on May 26, 2023 with the goal of narrowing or resolving this dispute prior to a hearing by your Board. The parties met for approximately an hour and a half and discussed potential options for resolving this dispute. Despite these efforts, a resolution was not reached at the facilitation. However, negotiations continued thereafter and at the time of writing the parties were still working on a possible resolution that is acceptable to the Department.

This appeal is now scheduled to be heard by your Board on July 11, 2023.
