- a) Consider adoption (Second Reading) of an Ordinance of the Board of Supervisors of the County of Santa Barbara amending Chapter 50 to the Santa Barbara County Code, Licensing of Commercial Cannabis Operations; and
- b) Determine for the purposes of CEQA that:

Pursuant to CEQA Guidelines section 15168(c), these actions are within the scope of the Cannabis Land Use Ordinance and Licensing Program, and the Cannabis Land Use Ordinance and Licensing Program Final Programmatic Environmental Impact Report (PEIR) (17EIR-00000-00003, State Clearinghouse No. 2017071016) adequately describes this activity for the purposes of CEQA.
  - ii. Pursuant to CEQA Guidelines section 15162(a), after considering the PEIR certified by the Board of Supervisors on February 6, 2018, that no subsequent EIR or Negative Declaration is required because: i) no substantial changes are proposed which require major revisions of the PEIR due to the involvement of new significant environmental impacts or a substantial increase in the severity of previously identified significant effects; ii) no substantial changes have occurred with respect to the circumstances under which the ordinance is undertaken which require major revisions of the PEIR due to the involvement of new significant environmental impacts or a substantial increase in the severity of previously identified significant effects; and iii) no new information of substantial importance concerning the ordinance's significant effects or mitigation measures, which was not known and could not have been known with the exercise of reasonable diligence at the time that the PEIR was certified, has been received that shows any of the elements of CEQA Guidelines Section 15162(a)(3) apply.

**Summary Text:**

In May 2018, the Board adopted Chapter 50 of the Santa Barbara County Code, Licensing of Commercial Cannabis Operations. Since the effective date of the cannabis ordinances (June 2018 in the inland area, November 2018 in the coastal zone), cannabis operations have been applying for County cannabis land use permits and business licenses. Chapter 50 has since been amended in April, August, December of 2019, January 2020, February, November of 2021, and February of 2022.

In November of 2021 the Board directed staff to return with an ordinance amendment that would address operations reserving acreage in the acreage cap but not cultivating the full requested amount.

A more detailed Board Letter with all necessary attachments and details of proposed changes will be prepared and provided prior to the November 1, 2022 hearing.

**Special Instructions:** The Clerk of the Board shall publish the ordinance in accordance with Government Code section 25124 in the *Santa Barbara News Press*.
