**RE: Request for Transfer of Easement – Santa Maria River,  
Santa Barbara County, California**

Dear Colonel Magness:

The Board of Supervisors of the County of Santa Barbara requests your favorable consideration of a transfer of easement within the Santa Maria River to the City of Guadalupe.

This request was formally requested by County staff on June 18, 2008. The City of Guadalupe has agreed to accept full responsibility for the requirements of the easement and to enforce these requirements as such.

The County requests this assignment to allow for a proposed RV park on the property, and the City would be in a position to ensure operation of the park and the required work under the terms of the easement would be enforced in the future.

Please consider this request and advise as soon as possible, your assistance is greatly appreciated.

Sincerely,

Supervisor Salud Carbajal, Chair  
Santa Barbara County Board of Supervisors
