Summary Text:

The Department of Behavioral Wellness (BWell) requests approval of agreements for Institutions for Mental Disease (IMD) and Skilled Nursing Facility (SNF) services for FY 23-26 with Sylmar Health and Rehabilitation Center, Inc. (Sylmar), CF Merced, LLC (Merced), and Crestwood Behavioral Health, Inc. (Crestwood). Approval of the recommended actions will allow BWell to continue to provide mandated mental health and ancillary services to its clients without a gap in services.

Background:

BWell provides a continuum of specialty mental health services to Santa Barbara County residents, partly through contracted providers. Contracts with facilities providing services at various levels of care are key to ensuring that clients' needs are optimally met.

IMDs are facilities including hospitals, nursing facilities, or other institutions of more than 16 beds that are primarily engaged in providing diagnosis, treatment, or care of persons with mental illness, including medical attention, nursing care, and related services. There are a limited number of these highly structured residential treatment services in California, and none in Santa Barbara County. BWell contracts with IMDs licensed as Acute Psychiatric Hospitals, Skilled Nursing Facilities with Special Treatment Patches, and Mental Health Rehabilitation Centers. BWell also contracts with IMD-alternative facilities, which are unlocked facilities providing highly structured programs for clients transitioning out of IMDs.

On September 15, 2020, the County of Santa Barbara Board of Supervisors (BOS) approved of BWell entering into an Agreement with Sylmar for the provision of mental health services and residential treatment services for a contract maximum amount not to exceed \$1,650,000, inclusive of \$650,000 for FY 20-21; \$500,000 for FY 21-22 and \$500,000 for FY 22-23, for the period of July 1, 2020 through June 30, 2023. Sylmar is a locked facility for adults with severe mental illness in Los Angeles County. Sylmar provides intensive psychiatric mental health treatment, medical assessment, diagnosis and monitoring, and treatment groups for clients, including those diagnosed with co-occurring disorders. This facility can accommodate medically complex or fragile individuals.

On August 18, 2020, the BOS approved of BWell entering into an Agreement with Merced, for the provision of mental health services and residential treatment services, for a contract maximum amount not to exceed \$1,500,000, inclusive of \$500,000 per fiscal year, for the period of July 1, 2020 through June 30, 2023. Merced is located in Merced County and provides intensive psychiatric mental health treatment, medical assessment, diagnosis, and monitoring in a locked setting to adult clients 18 years of age to 65 years of age.

On June 16, 2020, the BOS approved of BWell entering into an Agreement with Crestwood, for the provision of mental health services and residential treatment services, for a contract maximum amount not to exceed \$1,500,000, inclusive of \$500,000 per fiscal year, for the period of July 1, 2020 through June 30, 2023. Crestwood's facilities are located in Kern, Shasta, Santa Clara counties, and provide intensive psychiatric mental health treatment, medical assessment, diagnosis, and monitoring, and treatment groups for clients, including those diagnosed with co-occurring disorders, in locked facilities. These skill-building, symptom-management services are designed to support clients in returning to community living as soon as possible. Approval of these Board Contract renewals will allow for necessary mental health services to continue to be provided without a gap in services.

Performance Outcomes:

The Contractors are achieving the outcomes to the required standards set forth in the Agreements within the allocated budget.

Sylmar

For the first three quarters, FY 22-23, Sylmar met six (6) of their seven (7) goals. Sylmar has held a steady client caseload of nine (9) since April 2023. The current funding projections are based on a current client caseload of ten (10) clients through June 30, 2024. Sylmar served an average of nine (9) clients per quarter with one (1) discharge total. The long term care team has regular and ongoing contact with this facility and assists with Case Management to collaborate to meet the goals outlined. Sylmar is able to accommodate some of the County's most complex individuals including those with a history of serious behavioral challenges. Sylmar actively participates in outcome reporting to our Quality Care Management Department.

Sylmar has the following outcomes for the First Three Quarters of FY 2022-23:

1. Sylmar served an average of nine (9) clients per quarter with one (1) discharge total;
2. 6% were admitted to acute psychiatric inpatient care with a goal of 10% or less;
3. no one received emergency care for physical health with a goal of 10% or less;
4. no one was hospitalized for physical health with a goal of 10% or less;
5. 24% had incidents requiring a higher level of supervision with a goal of 5% or less;
6. No clients were incarcerated with a goal of 5% or less;
7. Out of the one (1) discharge, the discharge was to a higher level of care.

Merced

For the first three quarters of FY 2022-23, Merced met five (5) of their seven (7) goals. CF Merced has held an average of one client caseload since April 2023, but has had a census of two (2) individuals per quarter. The current funding projections are based on a current client caseload of one (1) client through June 30, 2024. The long-term care team has regular and ongoing contact with this facility and assists with Case Management to collaborate to meet the goals outlined. Merced is able to accommodate some of the County's most complex individuals including those with a history of serious behavioral challenges. Merced actively participates in outcome reporting to our Quality Care Management Department. Due to the fact that Merced served only one (1) individual, the data collected does not appropriately express the success of the program.

For the first three quarters of FY 22-23, Merced had the following outcomes:

1. Merced served an average of one (1) client per quarter with one (1) discharge total;
2. There were no acute psychiatric inpatient admissions with a goal of 10% or less;
3. No emergency care for physical health with a goal of 10% or less;
4. 17% were hospitalized for physical health with a goal of 10% or less;
5. 17% had incidents requiring a higher level of supervision with a goal of 5% or less;
6. No clients were incarcerated with a goal of 5% or less; and
7. Out of the one (1) discharge, the discharge was to a same level of care.

Crestwood

For the first three quarters of FY 2022-23, Crestwood met seven (7) of their nine (9) goals. Crestwood has held a steady client caseload of 33 since April 2023. The current funding projections are based on a current client caseload of 43 clients through June 30, 2024.

Crestwood served an average of 33 clients per quarter with an average of five (5) discharges per quarter. The long-term care team has regular and ongoing contact with this facility and assists with Case Management to collaborate to meet the goals outlined. Crestwood is able to accommodate some of the County's most complex individuals including those with a history of serious behavioral challenges. Crestwood actively participates in outcome reporting to our Quality Care Management Department.

For the first three quarters of FY 2022-23, Crestwood had the following outcomes:

1. There were no incarcerations with a goal of 5% or less;
2. No admits to acute psychiatric inpatient care with a goal of 10% or less;
3. 1% received emergency care for physical health with a goal of 10% or less;
4. 1% were hospitalized for physical health with a goal of 10% or less;
5. 100% had stable/permanent housing;
6. 100% were engaged in a purposeful activity;
7. 13% were discharged to a lower level of care with a goal of 85% or more;
8. No clients were discharged to a higher level of care with a goal of 15% or less; and
9. 18% had incidents requiring a higher level of supervision with a goal of 5% or less.

Narrative: The above-referenced contracts are funded by State funds. Due to the federal IMD exclusion, these services are not reimbursable by Medi-Cal for clients between the ages of 21 and 65. The recommended contract increases of \$1,695,000 (36.45%) will be funded through existing IMD and Acute Hospital contract savings and an unanticipated increase in realignment revenue by the State. Funding for these contracts has been included in the FY 23-24 Adopted budget, and funding for future years will be included in the department's requested budget, contingent upon Board approval.

Key Contract Risks:

As with any contract funded by State sources, there is a risk of future audit disallowances and repayments. Behavioral Wellness contracts include language requiring contractors to repay any amounts disallowed in audit findings, minimizing financial risks to County.

Contractor agrees to the indemnification and insurance provisions as set forth in EXHIBIT C – Standard Indemnification and Insurance Provisions attached hereto and incorporated herein by reference.

16. NONDISCRIMINATION.

County hereby notifies Contractor that County's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this Agreement and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and Contractor agrees to comply with said ordinance. Contractor shall also comply with the nondiscrimination provisions set forth in EXHIBIT A-1 General Provisions: MHS to this Agreement.

17. NONEXCLUSIVE AGREEMENT.

Contractor understands that this is not an exclusive Agreement and that County shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by Contractor as the County desires.

18. NON-ASSIGNMENT.

Contractor shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of County and any attempt to so assign, subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. TERMINATION.

A. By County. County may, by written notice to Contractor, terminate this Agreement in whole or in part at any time, whether for County's convenience, for nonappropriation of funds, or because of the failure of Contractor to fulfill the obligations herein.

1. **For Convenience.** County may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, Contractor shall, as directed by County, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on County from such winding down and cessation of services.

2. **For Nonappropriation of Funds.**

i. The parties acknowledge and agree that this Agreement is dependent upon the availability of County, State, and/or federal funding. If funding to make payments in accordance with the provisions of this Agreement is not forthcoming from the County, State and/or federal governments for the Agreement, or is not allocated or allotted to County by the County, State and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments after the effective date of such non-allocation or non-funding, as provided in the notice, will cease and terminate.

ii. As permitted by applicable State and Federal laws regarding funding sources, if funding to make payments in accordance with the provisions of this Agreement is delayed or is reduced from the County, State, and/or federal governments for the Agreement, or is not allocated or allotted in full to County by the County, State, and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments will be delayed or be reduced accordingly or County shall have the right to terminate the Agreement. If such funding is reduced, County in its sole discretion shall determine which aspects of the Agreement shall proceed and which Services shall be performed. In

these situations, County will pay Contractor for Services and Deliverables and certain of its costs. Any obligation to pay by County will not extend beyond the end of County's then-current funding period.

- iii. Contractor expressly agrees that no penalty or damages shall be applied to, or shall accrue to, County in the event that the necessary funding to pay under the terms of this Agreement is not available, not allocated, not allotted, delayed or reduced.

3. **For Cause.** Should Contractor default in the performance of this Agreement or materially breach any of its provisions, County may, at County's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, Contractor shall immediately discontinue all services affected (unless the notice directs otherwise) and notify County as to the status of its performance. The date of termination shall be the date the notice is received by Contractor, unless the notice directs otherwise.

B. By Contractor. Should County fail to pay Contractor all or any part of the payment set forth in EXHIBIT B(s), Contractor may, at Contractor's option terminate this Agreement if such failure is not remedied by County within thirty (30) days of written notice to County of such late payment.

C. Upon Termination. Contractor shall deliver to County all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by Contractor in performing this Agreement, whether completed or in process, except such items as County may, by written permission, permit Contractor to retain. Notwithstanding any other payment provision of this Agreement, County shall pay Contractor for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall Contractor be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. Contractor shall furnish to County such financial information as in the judgment of County is necessary to determine the reasonable value of the services rendered by Contractor. In the event of a dispute as to the reasonable value of the services rendered by Contractor, the decision of County shall be final. The foregoing is cumulative and shall not affect any right or remedy which County may have in law or equity.

20. SUSPENSION FOR CONVENIENCE.

The Director of the Department of Behavioral Wellness or designee may, without cause, order Contractor in writing to suspend, delay, or interrupt the services under this Agreement in whole or in part for up to 120 days. County shall incur no liability for suspension under this provision and suspension shall not constitute a breach of this Agreement.

The headings of the several sections, and any Table of Contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.

22. SEVERABILITY.

If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not

affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

23. REMEDIES NOT EXCLUSIVE.

No remedy herein conferred upon or reserved to County is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

24. TIME IS OF THE ESSENCE.

Time is of the essence in this Agreement and each covenant and term is a condition herein.

25. NO WAIVER OF DEFAULT.

No delay or omission of County to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to County shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of County.

26. ENTIRE AGREEMENT AND AMENDMENT.

In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Agreement may be altered, amended or modified only by an instrument in writing, executed by the parties to this Agreement and by no other means. Each party waives their future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel. Requests for changes to the terms and conditions of this agreement after April 1 of the Fiscal Year for which the change would be applicable shall not be considered. All requests for changes shall be in writing. Changes shall be made by an amendment pursuant to this section. Any amendments or modifications that do not materially change the terms of this Agreement (such as changes to the Designated Representative or Contractor's address for purposes of Notice) may be approved by the Director of the Department of Behavioral Wellness or designee. Except as otherwise provided in this Agreement, the Board of Supervisors of the County of Santa Barbara must approve all other amendments and modifications.

The judgment of any court of competent jurisdiction, or the admission of Contractor in any action or proceeding against Contractor, whether County is a party thereto or not, that Contractor has violated any such ordinance, statute, regulation, order, policy, guidance, bulletin, information notice, and/or letter shall be conclusive of that fact as between Contractor and County.

29. CALIFORNIA LAW AND JURISDICTION.

This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in state court, or in the federal district court nearest to Santa Barbara County, if in federal court.

All provisions of this Agreement which by their nature are intended to survive the termination or expiration of this Agreement shall survive such termination or expiration.

33. PRECEDENCE.

In the event of conflict between the provisions contained in the numbered sections of this Agreement and the provisions contained in the Exhibits, the provisions of the Exhibits shall prevail over those in the numbered sections.

34. COMPLIANCE WITH PRIVACY LAWS.

Contractor is expected to adhere to the healthcare privacy laws specified in Exhibit A-1, Section 8.A and to develop and maintain comprehensive patient confidentiality policies and procedures, provide annual training of all staff regarding those policies and procedures, and demonstrate reasonable effort to secure written and/or electronic data. The parties should anticipate that this Agreement will be modified as necessary for full compliance with the healthcare privacy laws as they are amended from time to time.

35. COURT APPEARANCES.

Upon request, Contractor shall cooperate with County in making available necessary witnesses for court hearings and trials, including Contractor's staff that have provided treatment to a client referred by County who is the subject of a court proceeding.
