The World's Safest Beach

We've been spreading the Aloha spirit from our "home beach" on Santa Claus Lane since 2000, making us the longest-tenured surf school on the Lane. SCL features an even sand bar, a consistent break, and a lack of hazards. Pop some NW and south swells into the mix, and what's the result? World-class, learn-to-surf waves that gift us with perfect conditions for beginners to learn on. And for you intermediate and advanced surfers, we are mobile, taking you to the best spot for your surfing progression.

Directions

Our surf shop and HG is located at 3825 Santa Claus Lane in Carpinteria CA. You can also find us directly on the beach on the southern end of Santa Claus Lane directly before reaching the first building on the Lane. Look for the surf lessons sign and our trailer as well as tents and flags on the beach and follow the easement to our headquarters where we are located from June until September each year.
