# Stormwater Management Ordinance Amendments

Board of Supervisors  
February 4, 2014

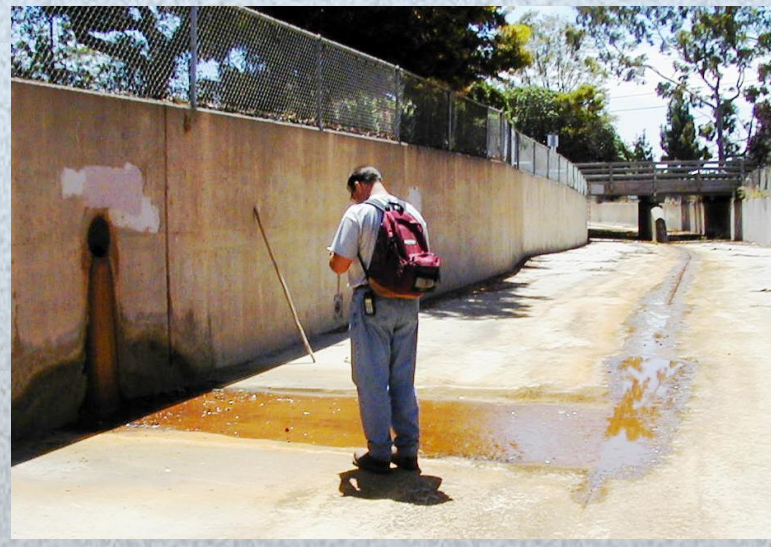

Department of Public Works/Water Resources  
Project Clean Water

# BACKGROUND

- Existing Stormwater Ordinance Adopted by Board of Supervisors in 2007
  - County Code Article IV of Chapter 29
- Required Under
  - Clean Water Act NPDES Phase II Program (Finalized 1999)
  - State Phase II Municipal General Permit (Reissued 2013)
  - County Stormwater Management Program (Approved 2006)
- Protects County's Storm Drain System
  - Prohibits polluted discharges to County system
  - Establishes authority to enforce the ordinance

# REASON FOR AMENDMENT

- Comply with State Water Resources Control Board Order 2013-0001
  - Certify that County has legal authority to control pollutant discharges and meet all requirements of the Municipal General Permit
  - Prohibit non-incidentally irrigation runoff
- Comply with Regional Board Resolution No. 2013-0032
  - Post-Construction Stormwater Management Requirements for Development Projects in the Central Coast Region (effective March 2014)
- Ordinance Amendments necessary to establish authority to implement and be in compliance with new NPDES stormwater requirements

# RECOMMENDED ACTIONS

- Consider introduction of ordinance amending the Stormwater Management and Discharge Control Ordinance (Attachment A)
- Set hearing on February 11, 2014 to consider adoption of the ordinance amendment (Administrative Agenda)

# THANK YOU
