I do not support the proposed contract with County CEO Mona Miyasato. The economy does not support the increase of county taxpayers` money for the CEO Mona Miyasato. She is already being paid adequately.

Respectfully,
John R. Wickenden

Clerck of the Board,

I am writing to oppose the package increase for Mona Miyasato. With our infrastructure in need of maintenance and our county roads in needed of repair, this is not the time for her package increase.
