August 15, 2023

Natalia Alarcon Director, Family and Youth Services 5638 Hollister Avenue, Suite 230, Goleta, CA 93117

Dear Ms. Alarcon,

We have each received your request for retroactive ratification of the 2023 MOU and submittal of payment. As we expressed at our meeting on June 7, we are collectively interested in continuing a relationship to coordinate and link the many services supporting youth safety and wellness in our community.

At that meeting we also expressed concern about the simple extension of the past MOU. We have asked that Communify revisit the MOU to set measurable objectives for youth safety outcomes that relate to the work that the collaborative was formed to coordinate on behalf of the funding agencies and other service providers. This is consistent with the approach that many of us have been directed by our decision makers to employ in the grant making to our non-profit partners. We understand that Communify is committed to promoting and implementing this approach through the work of the SCYSP. We are anxious to receive a draft MOU and associated budget for the current 2023-24 fiscal year that incorporates this approach.

The lack of an MOU for the prior 2022-23 fiscal year is problematic, however, we believe that with appropriate documentation, we have the authority to reimburse you for expenses incurred. Upon submittal of the bill for services with supporting documentation we will take the necessary steps to pay Communify for the work it did on behalf of the funding agencies. As we also discussed at our last meeting, please use money that the funding agencies contributed to current reserves to cover a proportionate share for each agency.

Thank you again for the good work your agency does for our community and we look forward to improving and continuing our longstanding partnerships.

Sincerely,

- DocuSigned by:
