Subject: Oppose Parking Restrictions Agenda Item3

Caution: This email originated from a source outside of the County of Santa Barbara. Do not click links or open attachments unless you verify the sender and know the content is safe.

Dear Honorable Supervisors – for the past 40 years, I have enjoyed Santa Barbara County’s parks, beaches, trails, lakes and other open spaces. I oppose limiting or restricting parking and access to parks, beaches, lakes, trails and open space. During this C-19 lockdown, the only places residents, voters and taxpayers can go to find peace is nature. Keep nature open. Thanks, Tim Mahoney.
