2. ACTIVITY DESCRIPTION/PERFORMANCE GOALS

Scope of Work to be performed

The Cuyama Valley Recreation District is the sole provider of recreational opportunities to the Cuyama Valley. The service area includes 3 low-income areas of Santa Barbara County (New Cuyama, Cuyama & Ventucopa). The 13 acre park is in desperate need of upgrading.

The project includes construction of permanent restrooms that will allow participants to remain at the events/activities for extended periods of time. The project also includes construction of a small concession area adjacent to the restrooms in order to facilitate safe food handling/sales for events/activities held at the park.

A skate park will also be constructed. The Cuyama Valley is a very low-income community and we need to provide no to low cost activities for our residents to participate in. Since there are very few actual sidewalks in New Cuyama and skating on our poorly paved roads is a hazard, a free skate park is the ideal solution for youth engagement

Goals and Community Impact

The outcome of the restroom/concession project will be a cleaner, safer park that will entice community members and tourists to participate in more events/activities for a longer duration.

A free use skate park will be open from dawn to dusk for skaters to enjoy. The outcome will be less skateboarding accidents on the unimproved streets, more people engaging in outdoor physical activity at our park, and juveniles will be positively engaged in a healthy activity.
