RE: 09APL-00000-00002; Continuance of Klink Appeal

The Klink Appeal of the Grassini Addition (09APL-00000-00002) was continued from the Board's May 5, 2009 hearing to the Board's departmental agenda of September 15, 2009. Please reset the hearing date on the departmental agenda to January 19, 2010. The attorney for the Grassinis has confirmed that this date works for his clients. The attorney for the Klinks has indicated that he would prefer a hearing date in December, but noted that the 1/19/10 hearing date may work for his clients.
