Summary Text:

This item is on the agenda for the Board of Supervisors to approve, ratify and execute an agreement with the California Department of Food and Agriculture (CDFA) to receive reimbursement for the County's high Risk Pest Exclusion Program. CDFA has defined high-risk shipments as those where there exists a high degree of likelihood that one or more "A" or "Q" rated plants pest will be introduced or spread via the shipment. "A" and "Q" rated pests (Medfly, Oriental Fruit Fly, Red Imported Fire Ant, Asian Citrus Psyllid, etc) are those that have been determined to have potential for causing severe damage to the State's agricultural industry, natural resources, or environment. Through this agreement, CDFA reimburses the Agricultural Commissioner's Office for costs associated with staff conducting inspections of high-risk shipments. These inspections are conducted at pre-defined high-risk pathways

such as Fed Ex, UPS, Post Office, and truck shipments to commercial nurseries in order to insure compliance with federal, state, and local regulations.

Background:

The Agricultural Commissioner’s Office has received funding for this program activities since FY 1999-2000. The funding for the High Risk Pest Exclusion Program is anticipated to continue in order to provide reimbursement for our high risk inspection activities.
